RESOLUTION: Appropriate \$1.3 million to a capital project to add a storage building and therapy area to Park View Health Center and fund with General Obligation Promissory Notes.

10 **TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:**

11 **WHEREAS**, when the new Park View Health Center was built, the storage area
12 was presumed to be the Pleasant Acres building; and

13 **WHEREAS**, the current plan is to raze the Pleasant Acres building; and

14 **WHEREAS**, an addition to the Park View Health Center facility is needed to
15 provide adequate storage so that supplies can be bought in bulk and at the best cost;
16 and

17 **WHEREAS**, there is also a need to store more equipment as the current
18 equipment is replaced by resident specific equipment, such as bariatric beds; and

19 **WHEREAS**, standard equipment needs to be stored so it is available when the
20 special equipment is no longer needed; and

21 **WHEREAS**, residents may also bring their own furniture to use in their room,
22 causing facility-provided furniture to be stored; and

23 **WHEREAS**, equipment and furniture needs to be constantly available so that
24 nursing staff can easily access it if needed; and

25 **WHEREAS**, the need for additional therapy, storage and programming space
26 arises from a 69% increase in therapy services since the building was constructed.
27 The Therapy Department works with mat tables, wheelchairs, walkers, pulleys, steps
28 and other equipment that requires space.
