Response:
Could you please prioritize your requests, 1 being the highest, most pressing priority.
1- Commonwealth low-income/multi-shift daycare 2- Affordable single family workforce housing initiative.
Are any of these requests part of your CIP?
Yes. The City has funds from 2023 and proposed funds for 2024 to help implement housing initiatives in the City. If our project(s) aren't picked, we would use the CIP funding on other housing programs/projects
Are any of these projects part of the \$145,000 that had been previously allocated from the Spirit funds?
No, the \$145,000 of funds provided by the County were already allocated to the Oshkosh Fire Dept to purchase turnout gear. Since the Fire Department provides services throughout the County, we believe it will have a positive impact throughout Winnebago County.
