Hi Jerry,

I will plan on meeting with you and available members of the Winnebago County Land Information Council for April 28th at 9 am. If not all members are available, that is alright. Feel free to include other items on the agenda as well. If there is anything you would like to discuss in more detail, I would be available after the meeting as well.

You do not need to prepare a formal presentation, but at the meeting I would like to first discuss:

- Winnebago County's land records modernization program:
 - Brief status of the county's land records modernization efforts, such as parcel map development
 - County's ongoing and future land information projects

I will then speak about the WLIP, specifically:

- Statewide Parcel Map Initiative
- Strategic Initiative grant funding
- County Land Information Plan Updates

Meeting attendees would have plenty of time to then ask questions or provide feedback on the Parcel Initiative and the future of the WLIP.

To make the most of our meeting time, it would be great if you could:

1. Please invite the following, if all these positions exist:
 - County Land Information Council members
 - Zoning Administrator
 - County Planner
 - GIS technicians
 - Municipal GIS staff
 - Other interested parties
2. Arrange a space for the meeting.
3. Please send me a copy of the land info council membership list with their titles included.

Thanks,
Peter
