### **COUNTY EXECUTIVE'S REPORT**

Executive Mark Harris told the Board about the Oshkosh Outlook 2013 program that is being conducted by the Citizens for a Strong Oshkosh. It will be held on Thursday, September 27 at 5:00 p.m. at the Oshkosh Convention Center. He explained that he will be making a presentation on future developments for the county and thought the Board may be interested in attending.

Executive Harris then expressed his support of the county's current Kronos Time Keeping System and encouraged the Board's support of Resolution No. 81-92012, "Appropriate \$72,000 to Upgrade the Current Kronos Software and Transfer Funds from the General Contingency Fund to Cover the Costs"; and Resolution No. 82-92012, "Authorize the Transfer of \$60,000 to the Purchase of an Advanced Scheduling Module for the Kronos Time Keeping System and Transfer Funds from the General Contingency Fund to Cover the Costs."

Executive Harris then discussed Resolution No. 50-72012, "Authorize the Winnebago County Executive to Negotiate the Purchase of the Outagamie County Share of the Tri-County Ice Arena." He stated that regardless of what the county decides to do with the Tri-County Ice Arena, it will be much easier if the county is the sole owner of the facility.

Executive Harris stated that the county has never had to contribute any money to the operations of the ice arena. The ice arena has used their revenues to operate the facility. Executive Harris explained that the original purchase agreement for the ice arena stated that after Winnebago and Outagamie Counties' initial \$200,000 investments, neither county would be obligated to contribute any money to the facility. However at various times over the years, the county did approve funding for some projects at the ice arena. In addition, the county does pay approximately \$2,000 annually for property and liability insurance.

Executive Harris reminded the Board that it's been over five years since the Winnebago County Board approved paying half the cost to repair the parking lot at the ice arena. However, Outagamie County has made it very clear that they have no interest in paying the other half for this project.

Executive Harris stated that as directed in Resolution No. 56-82012, "Direct Winnebago County Executive to Explore Divestiture of Tri-County Ice Arena", he will investigate the possibility of divestiture of the property, while also maintaining, "that venue as a recreational opportunity for the citizens of Winnebago County...."

Executive Harris feels if Winnebago County is the sole owner of the facility it will improve the county's relationship with the ice arena. In addition, if the county is the sole owner the sale of the facility to another entity such as the Tri-County Recreation Association, would also be much easier.

Executive Harris then took questions from the Board.
