4. December 20-21, 2012 Snowstorm

Linda K. reported on the request from Wisconsin Emergency Management for cleanup costs associated with the snowfall of December 21-22, 2012. Winnebago County was initially identified as one of the counties that might qualify for reimbursement of clean-up costs. After asking our townships and cities to compile figures for cleanup the state admitted their mistake by including Winnebago County. Linda hopes that this error does not affect Emergency Management's credibility with future disaster situations.
