

re:THINK Meeting: Substance Abuse Prevention Committee

Date: May 15, 2014

Location: Coughlin Center

Minutes taken by: Heidi Keating

Attendees:			
Dan Hinton	Government Agency; Substance Abuse Expert	Jamie Perry	Oshkosh Tavern League
Kevin Wilkinson	Neenah Police Dept		

Topic	Facilitated by:	Discussion	Actions
Collection of data around special events in Oshkosh	Dan	Dan reported no response from the health care email requests that he sent. Jamie Perry reported that she was getting very little detail reporting from the Tavern League members. She had reviewed the Cab ride program data and didn't find any remarkable differences. Discussion about other ways to get at this data included Fire Dept information and perhaps tow truck deployment for parking violations on Thursday PM. And weekends.	
e-cigs	Kevin	Kevin brought up a emerging problem with regulating e-cigs. Businesses and users are getting around the no tobacco language with e-cigs. This may be an area of public policy that re:THINK may need to assert itself into.	
Alcohol culture	Kevin	Kevin also volunteered to contact Mike Nichols a print media columnist to prompt some public discussion about the culture of alcohol in Wisconsin.	
Parents Who Host	Dan	We handed out some of the Parents Who Host materials for the Neenah Area.

Prevent. Promote. Protect.
Winnebago County
Health Department

Through effective community collaboration, re:THINK creates an environment that enables healthy lifestyle choices and deters substance abuse in order to improve the quality of life for all Winnebago County residents. This partnership would not exist without support from the Winnebago County Health Department and other local agencies, organization and community members.
