Heroin Update	Jason Weber	Billboard is up. Hoping to have PSA television commercial done this spring. Potentially looking at having another billboard up in the summer on north end.	
UW – Oshkosh update	Dan Hinton	Have several programs in place – “You matters”, “BAC matters” and “Consent matters”. UWO has a solid model program for student athletes but are looking for ways to keep them engaged in the off season. Focus is on 3 substances: Alcohol, Illegal, and Performance Enhancing.	
Event permitting	Jason Weber	Has a copy of Appleton’s Special Event manual. Did not obtain any other copies of county municipalities’ policies. It was agreed upon that we should form a subcommittee comprised of law enforcement and the tavern league to research this more in depth.	Reach out to volunteers to sit on sub committee.
