REPORTS FROM COMMITTEES, COMMISSIONS AND BOARDS

Supervisor Kline reported that the Legislative Committee will be meeting on Monday, January 23.

Supervisor Brennand stated that the two Farmland Preservation items that are on tonight's agenda—11/15/2011 Report No. 001 & Amendatory Ordinance #11/01/11 and Ordinance No. 309-12011—will be withdrawn again and postponed until another meeting. He explained that they have received an extension from Ben Brancel, Wisconsin Secretary of Agriculture, for the certification of the county's current farmland preservation program so this matter isn't as urgent as it was last December. However, once Secretary Brancel makes a decision on the county's future land use maps, this matter will come back to the Board for approval.

Supervisor Egan distributed copies of the Winnebago County Fair's year-end financial statement. He explained that the fair did not make a profit this year. Weather was a factor, as was the high cost of various budgeted items. Some of those high costs were: insurance, \$6,000+; buildings and grounds maintenance, \$13,300; sanitation, \$7,000+. Supervisor Egan asked that if anyone has any questions about the report, that they give him a call.

Motion by Supervisor Robl and seconded to approve the proceedings from the December 20, 2011 Winnebago County Board meeting. CARRIED VOICE VOTE.

COUNTY EXECUTIVE'S REPORT

Executive Harris introduced Morgan Hinkley to the Board. Ms. Hinkley is the new Park View Health Center Director. She comes to the county with a lot of experience in nursing home management from Minnesota. The Board welcomed Ms. Hinkley with a round of applause.

Executive Harris asked that the Board approve the following Resolutions:

- "No. 330-12012: Authorize Park View Health Center to Transfer \$21,167 from the Professional Services Account to the Building Improvements Account of the 2011 Budget to Cover the Cost of Installing Sprinklers in the Outside Canopies". Executive Harris explained that sprinkling outside canopies is now a state and federal requirement.
- "No. 331-12012: Appropriate an Additional \$345,000 to the Project to Demolish the Old Park View Health Center Buildings and Fund with General Obligation Debt to be Issued later in 2012". Executive Harris

explained that while they were demolishing the old Rehabilitation Pavilion, additional asbestos was found in the walls which is causing significant additional cost and time delays.

- “No. 334-12012: Authorizing the Borrowing of Approximately \$3,920,000 and Providing for the Issuance and Sale of Taxable General Obligation Refunding Bonds Therefor”. Executive Harris explained that this isn’t new debt, but would be retiring old debt and saving the county approximately \$290,000 in interest.
- No. 338-12012: Approve Two (2) New Full-Time Wisconsin Well Woman Program Case Specialists Positions for the Winnebago County Public Health Department, Effective January 19, 2012.” Executive Harris explained that the funding for these two positions will now come directly from the State of Wisconsin to the county instead of the county receiving these services through Planned Parenthood employees. He stressed the importance of maintaining these positions and the impact they have on women’s health.

Chairman Albrecht reported that Supervisor Hegg is excused from tonight’s meeting because he is attending the Red Smith Banquet with his daughter who is receiving a scholarship. Supervisor Finch and Nelson are also excused from tonight’s meeting.
