*To the Honorable Board of Supervisors of Winnebago County, Wis.:*

GENTLEMEN: Your petitioners, members of the Board of Supervisors of the town of Omro, county and state aforesaid, do herewith respectfully represent that, the electors of said town at the annual meeting held on the 4th day of April, A. D., 1893, voted to build iron bridges across Spring Brook in said Town of Omro, at or near the following named farms in said town to-wit: Place, Martin, Booth, Tauner, Barnett, and Losce, and to that end the town of Omro as aforesaid have by vote of its qualified electors voted for and provided for such purpose the sum of two thousand dollars [\$2,000], being one-half of the cost of such bridges, structures and foundations and that the aggregate expense or costs of building said bridges will be to exceed more than one-fourth of one per cent. of all the taxable property in said town of Omro according to the last equalized value of said town.

Your petitioners therefore earnestly pray that the County Board of Supervisors of Winnebago will cause to be appropriated at the November session two thousand dollars [\$2,000], said sum being one-half the cost of said bridge, structures, and appoint a committee duly authorized to act in behalf of said county, according to Section 1319, of the Statutes of the State of Wisconsin, as amended by Chapter 126 of 1879, Chapter 315 of 1881, Chapter 187 of 1885, and Chapter 508 of the General Laws of 1889, see page 815, Vol. 1, Sanborn's and Berryman's Annotated Statutes of Wisconsin.

### OLD RECORDS.

The County Clerk presented the following report on old records in said office, on motion same accepted and referred to Committee on Printing:

To the Honorable Board of Supervisors of Winnebago County:

GENTLEMEN: I would hereby inform the Honorable Board that there are several books in the office of County Clerk to-wit: The sales books of taxes for the years 1853-54-55-56-57-58-59, which are in such a dilapidated condition that the undersigned can not be responsible for any loss that may happen to such records. I would further report that the sales books for 1866-67-68 should be rebound repaired or possibly transcribed. I also find that the sales books for 1877 and 1878 are almost worthless in that the ink used thereon is entirely fading away.

There are no Abstracts of the first mentioned years, consequently it is necessary that said records should be kept true and complete.

Section 680 of the Revised Statutes prescribes the duty of the Board in such matters. I would suggest that this matter be referred to the Committee on Printing for investigation.

Most respectfully submitted,

J. P. RAMMUSEN, County Clerk.

## BOUNDARY LINE.

Supervisor Huxley submitted the following resolution and asked that the same be accepted and made the special order for 10 o'clock A. M., November 22, which motion prevailed:

*Whereas*, The boundary line between the towns of Neenah and Menasha, as shown by the records and papers on file in the County Clerk's office of Winnebago County is on the section line between Sections 20 and 17 and 21 and 16, instead of the quarter line across said Sections 20 and 21, as shown by the various maps of said county, and

*Whereas*, The maps have always been supposed to be correct as showing said town line to be on the quarter line across said Sections 20 and 21, therefore

*Resolved by the Board of Supervisors of Winnebago County*, That the town line between the towns of Neenah and Menasha be, and the same is hereby established on the quarter line across and between Sections 20 and 21 until it reaches the northeast corner of Neenah Cemetery, thence south on the east line of said cemetery to the center of said cemetery north and south, thence west parallel with the north line of said cemetery until it reaches the west line of said cemetery, thence north to the quarter line of Section 20 running east and west, thence west to the quarter line of Section 20 running north and south and thence north to the section line between Sections 20 and 17 and thence west to the town line between Neenah, Menasha and Clayton.

## PRINTING PROCEEDINGS.

Supervisor Orchard, from Committee on Printing, to whom was referred the resolution by Supervisor Oellerich, submitted the following report:

To the Board of Supervisors of Winnebago County:

GENTLEMEN: Your Committee on Printing to whom was referred the matter of printing the daily proceedings, beg leave to report:

That upon investigation we find it would cost about fifty cents per folio to have the proceedings printed in pamphlet form provided, if it could be done at all within the time required by the resolution offered. When the committees commence to report it will be almost impossible for the Clerk to prepare the proceedings in detail in time to have it printed by 9 o'clock the next morning. For this reason your committee do not think it advisable to adopt the resolution of Supervisor Oellerich offered yesterday.

J. T. ORCHARD,  
H. E. HUXLEY,  
J. A. SUHL,  
A. M. LITTLE,  
BER. J. DALY, Committee.

## SCHOOL SUPERINTENDENT'S REPORT.

Superintendent of County Schools Pederson being present read and submitted his annual report as follows:

*To the Honorable Board of Supervisors of Winnebago County:*

It gives me pleasure to be able to state that our schools with but few exceptions continue in a prosperous condition. No interest of a public character has a stronger hold upon the heart of this community than the educational welfare of our children. Amid discouragements that shake the faith in popular government, it is pleasant to know that the most democratic of our institutions is so strongly entrenched in the affections of the people, that nobody dares assail it. At present there seems to be a steadily increasing interest manifested by the parents and patrons of our schools in making our Public Schools more efficient and practical in their results.

The sentiment in favor of a good common school education as a necessary attribute of manhood and womanhood, is certainly not decreasing. Though some districts change teachers as often as possible, many retain the same teachers as long as both parties are satisfied. As long as the present teacher is interested in his work, and makes his labor result beneficially to the pupils, a change on the pretext of economy in the expenditure of money for salary, is fatal folly. Teaching ability is a commodity on the market and is governed by the general laws of trade, and the better the ability the higher the price it demands.

## TEACHERS' EXAMINATION.

Care has been exercised in the issuing of certificates; only those known to be thoroughly qualified in both education and ability to teach have been permitted to teach in the better class of schools. A County Superintendent can do more for the schools under his jurisdiction by strictness in the matter of certificates, than in any other way. His knowledge of the schools' needs and the teacher's ability ought to insure a wise choice. A teacher who will do well in one school, may totally fail in another; and district boards do not always discriminate wisely. At the Spring and Autumn Examination (301) applications for certificates were examined. Of this number (192) received certificates, (176) receiving third grade, (14) receiving second grade and (3) first grade.

No teacher's institute has been held this year, on account of the "institute committee" at Madison, being unable to send a conductor. However Two Summer Schools have been held in this county, during this last summer; one at Omro and one at Oshkosh. The one at Omro was held under my direct supervision, and was conducted more for the benefit of the district school teachers. About twenty teachers attended the two schools. These schools have proved themselves to be of great benefit to the teachers in raising their standard of qualification to a very large degree, this was very manifest at this fall's examination, as compared with the Spring Examination held last March. Last spring forty limited certificates were issued, while this fall only eleven limited certificates were issued, notwithstanding the fact, that the standard of qualifications were slightly raised this fall.

#### VISITATION.

School visitation seems to be the chief duty connected with the Superintendentency. Much of the time during the past year has been occupied with the work. I have visited every school, and expect to have completed a second visit to all the schools by the first of January. While the law requires only one visit annually it is my opinion that a Superintendent should make at least two visits annually in order to do good work. During these visits I have made such suggestions as I thought were practicable. One character of the work has been frequently criticised, viz: a profession for which thorough training is needed and proper financial remuneration made.

#### ATTENDANCE.

The children of school age number 5,724, of whom 1,800 are not enrolled in the public schools. This seems to be a bad showing as far as attendance goes, indicating that thirty-five per cent. of the children of school age have not attended school at any time during the year. Probably this absenteeism is not so serious a matter after all. There is a good attendance for at least four months in the year, of pupils from five to fifteen years of age, while a comparative small number over fifteen are found enrolled in our district schools. Again while children from four to six years of age draw public money, few in proportion to numbers are enrolled.

Only six under four years of age were registered. Teachers should send such representatives of the nursery kingdom back home with the request to parents to keep them there or send cradles to facilitate business.

#### HINDRANCES.

There is a false opinion among many parents that unless their children are hurried from book to book, unless they jump from lower to higher, teachers are not properly discharging their duties. They think pupils must go on at a high rate of speed and carry on a long train of studies as a mark of superior ability, never thinking that overtaxing the delicate faculties in process of development tends to nervous prostration, and perhaps a long life of untold miseries. Again parents do not always judge wisely of the efficiency of a teacher. Some really good teachers, because

of sternness and strict sense of justice are underated, while other good natured teachers are estimated above their true value. One very encouraging thing is that the teachers, with but few "exceptions" and these "exceptions" could get married with profit to the district boards, if not to their husbands, try to do well. A strong fraternal feeling exists, and every effort is made to prepare for better and more effective work.

#### "SCHOOL HOUSES."

Four new school houses have been erected; three are wooden buildings and the other is a brick building located in the village of Omro, this school house is provided with all the latest improvements and is one of the finest buildings in the county. In Nekimi where the new school house was built a new district has been formed which has greatly facilitated school matters in that locality; the other two buildings are located in the towns of Oshkosh and Utica.

The large majority of school houses in this county are in a comparatively good condition. The greatest evil I have noticed pertaining to buildings and school furniture is the utterly repulsive condition of many of the outhouses belonging to the schools. Much has been said and written about this matter, but the general abhorrent condition of these outhouses demand that almost any sacrifice be made to save children from the mental and moral degradation incident to daily contact with indecency. Some reform has been made in this direction, but a great deal more is anticipated during ensuing year.

## COMMISSION FOR INDIGENT SOLDIERS REPORT.

The Commission for Indigent Soldiers Relief submitted the following report which, on motion, was accepted and referred to the Finance Committee.

*To the Honorable Board of Supervisors of Winnebago County, Wis.:*

GENTLEMEN: The undersigned constituting the County Soldiers Relief Commission, have the honor to report the disbursements of said Commission during the year beginning December 1, 1892, and ending November 11, 1893, making practically twelve months.

Regular meetings have been held as near the middle of each month as practicable; it having been demonstrated by experience that the object of the law for the relief of Indigent Soldiers and families could only be carried out and the interest of all parties maintained by frequent meetings and investigations.

Following is a statement of the number of families to whom relief was disbursed and the amount of relief disbursed to residents of the different towns and cities of the county during the present year.

|  |    |           |           |
|--|----|-----------|-----------|
| Poygan                                   | 1  | 4 00      |           |
| Vinland                                  | 1  | 47 00     |           |
| Miscellaneous                            | 1  | 1 00      |           |
|  |    |           |           |
| Aggregate                                | 86 | \$2938 57 |           |
| Balance of Fund on hand December 1, 1892 |    |           | \$ 983 33 |
| By Tax Levy for current year             |    |           | 3124 80   |
| Making a total of                        |    | \$4113 13 |           |
| Amount drawn as above                    |    | 2938 57   |           |
| Leaving a balance of                     |    | 1174 56   |           |

The necessary relief to be furnished during the month of December is estimated at between \$350.00 and \$400.00.

The hard times of the past season have fallen heavily on the soldiers, their widows and orphans. Many who are able to work have sought in vain for labor while their families were nearly starving at home. The prospect for winter is not encouraging. We therefore ask your Honorable Board for the same amount of appropriation as was made a year ago.

All of which is respectfully submitted,

THOS. S. ALLEN, Chairman.  
C. G. LUTMAN, Secretary.  
ROBERT BRAND.

GENTLEMEN: Your committee to whom was instructed the building of Winnebago County's New Asylum, beg leave to report that they have let contracts and authorized expenditures amounting in all to \$55,718.17, this includes the building contract, plumbing, heating, lighting, sewerage, two wells, two pumps, and \$1,500 to the architect.

We are of the opinion that the attic ought to be finished so that it may be utilized for patients and as a measure of economy.

In heating the building the magnitude of the work has called for time and earnest thought which you may appreciate better as you examine closely the details.

Your committee has been conscientious and painstaking and as economical as possible to secure perfect working and finished details in such an institution.

We submit herewith an estimate of the various sums necessary to completely finish and equip the asylum for 200 inmates with a possible capacity of 250, viz.:

Work not under contract necessary to complete the Winnebago County Asylum:

|  |         |
|--|---------|
| Building for Laundry, Cisterns, Etc..... | \$ 5000 |
| Finishing the Attic.....                 | 1900    |
| Electric Wires, Dynamos, Etc.....        | 1020    |
| Engine for Electric Plant.....           | 350     |
| Furniture, Bedding, Etc.....             | 6000    |
| Kitchen Range, Furniture, Etc.....       | 900     |
| Plumbing for Laundry.....                | 500     |
| Table Furniture.....                     | 200     |
| Extra Pantry Shelving.....               | 150     |
| Crockery.....                            | 300     |
| Electric Light Fixtures.....             | 200     |
| Iron Window Guards.....                  | 75      |
| Two Iron Ladders.....                    | 250     |
| Hose, Etc.....                           | 250     |
| Ventilation Flues for Attic, Etc.....    | 700     |
| Heating Attic.....                       | 350     |
| Plastering Basement.....                 | 250     |
| Water Closets in Attic.....              | 100     |
| Painting Walls.....                      | 250     |
| Fence.....                               |         |
| Total.....                               | \$19545 |

It is with some reluctance that we ask a further appropriation, but believe that if the taxpayers of Winnebago County would inspect the completed building, they would go away with the conviction that it was a credit to the county and a boon to its sad-eyed inmates, whose sum of mental capability and moral accountability is feebly gleaming through the dark clouds of oblivion.

Your committee is firmly of the opinion that with a proper and economical administration of its affairs something can be saved each year so that in the end it will pay for itself. This has been amply demonstrated in the case of similar institutions in our state. In view of the foregoing statements your committee would recommend that the sum of \$25,000 be appropriated to finish the work on the County Asylum.

On motion by Supervisor Oellerich the report was accepted and the consideration thereof made the special order for 9 o'clock A. M., November 28.

“RECORDS TRANSCRIBED.”

Supervisor Orchard from committee on Printing submitted the following special report which call of ayes and nays was unanimously adopted: *To the County Board of Supervisors of Winnebago County Wis.:*

GENTLEMEN: Your committee to whom was referred the report of the County Clerk on old records, beg leave to report as follows:

We find in the County Clerk's office four books containing the tax sales for the years 1853-54-55 to 60 and 77 and 78 which in our opinion should be transcribed without delay, as said books are in such a dilapidated condition that it would be impossible to preserve the records by rebinding, and we also find one book containing the tax sale for the years 1866-67 and 68 badly out of repairs but can be fixed up by transcribing a few pages and rebinding the books.

And in consulting with the County Clerk he agrees to transcribe the books and records above referred to for six cents per folio and that where two figures come together they will be counted as one in making up folios. And we find that the statutes provide that it is the duty of the County Board to keep the records of the county in good repairs and to rebind or transcribe such books as are necessary.

Your committee would therefore recommend the adoption of the following resolution:

*Resolved* By the County Board of Supervisors of Winnebago County that the County Clerk be and is hereby instructed to transcribe the tax sale of the years 1853 to 1860 inclusive, also 1877 and 78 and so much of the tax sale for the years 1866-67 and 68 as are necessary to preserve the records thereof and to have the book containing the last named sales of 1866-67 to 68 rebound and that he the said Clerk receive as compensation therefor the sum of six cents per folio, and be it further

*Resolved*, That the purchasing agent be and is hereby instructed to procure suitable books for the purpose,

TRUSTEES ON INSANE REPORT.

Supervisor Orchard from Trustee for Insane submitted the following report, which was unanimously adopted:

*To the Honorable, the County Board of Supervisors of Winnebago County:*

The Trustees of the County Asylum and Poor Farm of Winnebago County, Wis., beg leave to report as follows:

For the statistical report of the inmates of the institution for the year ending October 31, 1893, we refer you to the detailed report of the Superintendent, which is correct.

We have audited and allowed accounts to the amount of \$7442.72 for supplies of various kinds as set forth in detail in the report of the Superintendent and which is \$74.18 less than for the previous year.

As most of you are well aware the crops at the Poor Farm for the year 1892, were very light owing to the extremely wet season and for this reason it was necessary to purchase a large amount of feed for the stock and also about eight hundred bushels of potatoes, all of which is included in the above amount expended for supplies.

Your trustees have met at the Poorhouse and Asylum once in each month for the past year and on each occasion have been gratified to find everything pertaining to the management of the institution being conducted in an economical and business like manner.

## COMMITTEE ON ILLEGAL ASSESSMENT REPORT.

Supervisor Campbell from committee on Illegal Assessments submitted the following report, which on motion to adopt and on call of ayes and nays was unanimously adopted:

*To the Honorable Board of Supervisors of Winnebago County:*

GENTLEMEN: The undersigned, your committee on Illegal Assessments to whom was referred the petition of C. F. Burgess, for the cancellation of certain tax certificates and the communication of the County Clerk in regard to certain other tax certificates and receipts, respectfully report as follows:

On the petition of C. F. Burgess for cancellation of tax certificates No. 186, sale of 1889 and tax certificate No. 175, sale of 1890, in lot 7, in block 39, in the third ward of the city of Oshkosh, we recommend that said certificates be cancelled for the reason that, as near as your committee can determine said lot 7 is owned by the Chicago & Northwestern Railway Company as part of its right of way, and not assessable for general taxes, and that the holder and owner of said tax certificate be paid in satisfaction of the surrender thereof the following amounts, to-wit:

Tax certificate No. 186, sale of 1889, \$1.38 face value and 34 cents interest, total \$1.72.

Tax certificate No. 175, sale of 1890, \$1.20 face value and interest 29 cents, total \$1.49.

We also recommend that the total amount of said certificate to-wit: \$3.21 be charged to the city of Oshkosh.

We would further report and recommend that tax certificate No. 517, sale of 1889, on the north 61 feet of lot 1 lying north and west of the right of way of the Wisconsin Central Railway in Darling's addition in the city of Menasha cancelled and the face value of said certificate to-wit: \$2.22 with interest from May 20th, 1889, of 70 cents amounting in all to \$2.92 be paid to the holder and owner thereof upon its surrender, for the reason that the taxes on said property for said year were duly paid to the City Treasurer of the city of Menasha and were returned by mistake. We also recommend that said sum of \$2.92 be charged to the city of Menasha.

All of which is respectfully submitted.

On motion by Supervisor Huxley the above resolution was referred to the committee on Roads and Bridges.

*To the Honorable Board of Supervisors of Winnebago County:*

GENTLEMEN: We would represent to your honorable body, that the road leading from Oshkosh to Omro is of great importance to the traveling public as a public highway. That said road is located on low, level and clay lands and with the large amount of travel on said road from the towns of Poygan, Rushford, and Omro it is very expensive to maintain such a highway as the interest of the public demands.

We therefore petition your honorable body, to appropriate the sum of three hundred dollars, for the improvement of said highway, commencing near the bridge across Spring Brook near the house belonging to C. L. Booth on section 15; thence northwesterly to the northwest corner of the northeast quarter of the northeast quarter of section 16; thence west to the northwest corner of said section 16. Provided, that the town of Omro shall provide the same amount in money for the purpose; that six hundred dollars thus raised shall be expended on said highway under the direction and supervision of two commissioners appointed by the county Board and the Supervisors of the town of Omro. And when the money has been expended to the satisfaction of said commissioners and supervisors and they shall certify to the Chairman and Clerk of the county Board that said money has been properly expended, then the Chairman and Clerk shall execute a county order for three hundred dollars in favor of said town of Omro.

We ask that the county be represented in the expenditure of this money, to protect the town from censure in not expending the county appropriation to the best advantage.

M. C. BUSHNELL.

J. T. ORCHARD.

*To the Honorable Board of Supervisors of Winnebago County:*

GENTLEMEN: Your Finance Committee to whom was referred the report of Maurice H. O'Brien, County Treasurer for the year commencing January 2, 1893, and ending November 13, 1893, would respectfully report that they have carefully examined the same and compared the records and vouchers in his office and find the same correct. We therefore herewith return said report and recommend that it be adopted by this Board as a correct settlement with said County Treasurer up to November 14, A. D. 1893.

Your committee further report that they find in the County Treasury an unexpended amount of \$21,584.32 in the General Fund; also an unexpended balance of \$31,239.80 in the Asylum Fund.

The estimated amount to be expended up to the end of the present year is as follows:

| Balance to be provided for to January 1, 1894..... | \$.....\$16615 68 |

In order to provide for this deficiency your committee would recommend the adoption of the following resolution:

*Resolved,* That the Chairman of this County Board and the County Treasurer be and are hereby authorized to borrow in the name and for the use of the county of Winnebago a sum of money not to exceed sixteen thousand dollars (\$16000 00) should the same be necessary to pay any indebtedness that may accrue against said Winnebago county the present year, said loan to be made on the best terms possible both as to time and rate of interest, and be it further

PETITION FOR WINNECONNE BRIDGE.

The clerk read the following petition from the town of Winneconne, which on motion was referred to the Committee on Roads and Bridges.

To the County Board of Supervisors of Winnebago County:

We residents and freeholders in the Towns of Winneconne and Winchester in said County of Winnebago respectfully petition your honorable body for the relief hereinafter set forth and asked for:

Your petitioners represent that there is a public highway laid out, opened and worked for more than ten years, commencing at the northeast corner of the Town of Winneconne, thence running west on the town line of Winneconne and Winchester to the middle line north and south in Section 3 in the town of Winneconne.

That there is a creek known as Mud Creek running northeasterly and southwesterly across the line dividing said Towns of Winneconne and Winchester on the last half mile at the west end of said highway.

Your petitioners further represent on information and belief that when said highway was laid, certain portions of it were allotted to the Town of Winchester to open, work and keep in repairs. That the west half mile of said highway together with the building of a bridge across Mud Creek on the line between the Towns of Winneconne and Winchester was allotted to the Town of Winchester to open and keep in repair. That in pursuance thereof said Town of Winchester built a bridge across said Mud Creek and opened and worked and kept in repair the west half mile of said highway for many years, but for a number of years last past said Town of Winchester has neglected and refused to keep the former bridge across Mud Creek built as aforesaid in repair. That by reason of neglect said bridge has decayed, gone down and is entirely washed away, so as to prevent any travel over or across said Mud Creek. Your petitioners further pray that the Town of Winchester be required to build a bridge across said Mud Creek on the town line between Winneconne and Winchester where said Mud Creek crosses said town line, and to keep the same in repair for the use of the public travel.

Your petitioners further represent that said highway is a public thoroughfare and much needed for the accommodation of the public travel.

Your petitioners pray that the relief herein asked for may be granted by your honorable Board and your petitioners will ever pray.

REPORT PUBLIC BUILDINGS.

Supervisor Moore from Committee on Public Buildings submitted their report as follows:

*To the Honorable Board of Supervisors of Winnebago County:*

GENTLEMEN—Your Committee on Public Buildings begs leave to report on the resolution referred to us as to the feasibility of lighting the Court House by electricity. We have given the subject due consideration and after consulting with interested parties on the subject have come to the conclusion that it would not be for the interest of the county to make any decided change in the lighting of the building at present, and would respectfully submit the following figures:

|  |          |
|--|----------|
| Amount of gas used from Jan. 1 to Dec. 31, 1892, 255,900 ft. @ \$2.00..... | \$511.80 |
| 1893, 194,300 ft. @ \$2.00.....  | 388 90   |

|                             |          |
|-----------------------------|----------|
| A saving over 1892 of ..... | \$123 00 |
|-----------------------------|----------|

The gas company does agree to make a contract by the year at the rate of \$1.75 per thousand feet of gas. At this rate there would have been a further reduction for 1893 of \$48.60. Your committee would recommend that the County Clerk be authorized and instructed to make a contract with the Oshkosh Gas Light Company for the term of one year at this price, namely \$1.75 per thousand feet of gas.

SUPERVISORS' ROOM, OSHKOSH, WIS.

June 27, 1893, 10 A. M.

The Board of Supervisors met in special session, pursuant to a call signed by a majority of the members of the Board and a notice issued by the Clerk in conformity with said call.

On roll call the following persons responded: Algoma, Elihu Hall; Black Wolf, Fred Zentner; Clayton, Fred Schultz; Menasha, J. P. Lomas; Neenah, H. E. Huxley; Nekimi, Robert E. Abrams; Nepeuskun, J. A. Fridd; Omro, I. A. Tuttle; Omro village, J. T. Orchard; Oshkosh, J. B. Olcott; Poygan, James Heffron; Rushford, T. E. Loope; Utica, L. J. Miller, Vinland, Wm. H. Jenkyns; Winchester, D. Brightman; Winneconne, P. Vredenburgh; Winneconne village, J. A. Suhl; Wolf River, Fred Krenke; Menasha City. First Ward, A. M. Little; Second, John Schneider; Third, E. L. Mathewson; Fourth, M. M. Schoetz; Oshkosh, First Ward, J. J. Moore; Second, J. F. Wendorf; Third, W. P. Warwick; Fourth, Ber J. Daly; Fifth, C. W. Davis; Sixth, J. J. Nigl; Neenah City, First Ward, M. L. Campbell; Second, absent; Third, A. H. F. Krueger; Fourth, John Hunt, Sr. At large, Charles Oellerich.

The members present took and subscribed the oath of office before C. D. Cleveland, County Judge.

Honorable Charles Oellerich, city mayor of Oshkosh, responded to the call issued and informed the board that by the precedent established and by virtue of the authority granted by the legislature he was a member of the County Board and would insist on being recognized as such until otherwise informed.

Mr. Oellerich further stated as he had been informed by the Chairman that the attorney general held that any act done or resolution passed by the Board for which he, Mr. Oellerich, should cast a vote would invalidate such proceedings, he would retire from the deliberations of the Board and await a decision by legal authority to sustain his right as a member. Mr. Oellerich then retired.

On motion by Mr. Schoetz the Board proceeded to the election of Mr. C. W. Davis as Chairman by acclamation. The Clerk put the motion which resulted in the election of Mr. Davis by a unanimous vote.

Mr. J. T. Orchard from the village of Omro so refrained from voting on all questions and stated to the board as his reasons that he was informed that there was some question as to his right as a member of the Board, and therefore would take no part that would tend to invalidate the proceedings, but, like Mr. Oellerich, would await a legal decision.

The Chairman explained the purpose of the meeting as set forth in the called issued by the County Clerk.

The following resolution was introduced and on call of ayes and nays, adopted by 30 ayes to 1. Paepke absent, and Orchard and Oellerich not voting:

*Whereas*, By the provisions of chapter one hundred and sixty-seven of the laws of 1881, and acts thereof, the commissioners of public lands of Wisconsin are authorized to invest the trust funds of this state in loans of Towns, Villages, Cities and Counties in the state, as in said acts provided and

*Whereas*, Every Town, Village, City and County in this state, is empowered to borrow of said commissioners, from said trust funds, such sum or sums of money, for such time and upon such conditions and terms as may be agreed upon by and between the said commissioners and the Town, Village, City or County applying for a loan, subject to the limitations, restrictions, and conditions in said acts set forth; now therefore,

*Resolved*, That we, the Board of Supervisors of Winnebago County, Wis., in special session duly assembled according to law, do hereby approve and authorize application to be made to said commissioners by the Chairman of the County and Clerk of this Board, for a loan of \$60,000 to this County, said loan to be payable within twenty years, in fifteen (15) equal annual installments of \$4,000 each, with interest thereon at the rate of 4% per centum per annum, payable in advance, from the date of the making of the loan to the first day of next January, and thereafter annually in advance, as provided by law; the first payment of principal July 1, 1898; further

*Resolved*, That no money obtained by this County, by such loan from the state, be applied or paid out for any purpose except for additional County Insane Asylum for said County, without the consent of the commissioners of the public lands, hereafter obtained,

*Resolved*, That in case the aforesaid application for a loan from the trust funds, shall be approved by the said commissioners of the public lands, that the Chairman of said Board and Clerk of this County be, and they are hereby fully authorized and empowered, in the name of the County of Winnebago, Wisconsin, to make, execute and deliver to said commissioners, certificates of indebtedness, in such form as required by said commissioners, for any and all sums of money that may be loaned to said county, pursuant to said application, hereby empowering the said Chairman of this Board and Clerk to do and perform all necessary things to be done by the County of Winnebago, Wisconsin, to fully carry out the provisions of said chapter one hundred and sixty-seven, and acts amendatory thereof, and these resolutions:

*Resolved*, That a certified copy of this preamble and resolutions, and a certificate of the vote by which said preamble and resolutions were adopted, be filed by the Clerk of this County with the secretary of state of the state of Wisconsin.

The Chairman declared the resolution adopted.

Mr. Loope moved that the committee, A. H. F. Krueger, C. W. Davis and E. L. Mathewson to procure funds for the erection of the additional County Insane Asylum be authorized to make such clerical alterations in the resolution for the funds as may be found necessary to obtain such funds.

On call of ayes and nays the motion was adopted by 30 ayes to 1 absent and 2, Orchard and Oellerich not voting.

Minutes of meeting read and approved.

On motion by Mr. Loope the Board adjourned without date.

J. P. RASMUSEN,  
County Clerk.
