Chairman Parker read a letter regarding Irrigation.

Asylum Trustee Pinkerton offered Report No. 1, as follows:

#### ANNUAL REPORT OF THE TRUSTEES OF THE COUNTY POOR FARM AND INSANE ASYLUM.

The Board of Trustees of the Asylum for the Chronic Insane of Winnebago County, Wisconsin, respectfully submit herewith their report of the institution, covering the year ending June 30, 1911.

The completion of the cold storage building and root cellar has materially assisted in the care of meats and vegetables at the institution, and relieved the congestion and unsanitary condition which formerly existed. During the year we have put in a good wash room and shower bath in the basement, adding much to the efficiency of the institution in caring for patients, and prevents much unnecessary tracking of mud and dirt through the institution. We have also completed a vegetable preparing room in the basement, which was much needed.

Ward No. 1 has been improved by putting in a steel ceiling in ward and corridor and wiring concealed, which was formerly exposed. We have contracted for 1,500 tons of screened West Virginia splint coal at \$3.90 per ton F. O. B. hospital, which will, we expect, supply the asylum and poor farm until July 1, 1912.

The drilling of a new well, for which an appropriation of \$1,000 was made at your last November session, has been completed. A detailed report of the work has been filed with the County Clerk by the joint Committee of Trustees and Committee on Insane. A six-inch well has been sunk to a depth of 673 feet, which is supplying an abundance of water which we believe will meet our requirements in dryest season. On test we filled our 80,000 gallon tank in ten hours, and now pump our required supply in six hours each day, where formerly we were obliged to keep the pump going continually. As the well was completed after July 1, figures for same will necessarily appear in next year's report. We have taken up with the "Soo" railroad the matter of putting in a side track from their main line to our institution, a detailed report of which will be submitted by the Committee on Insane. The help of such a side track in handling our coal supply each year will, we estimate, pay for itself in three years and relieve congestion of work at a time when

the harvesting of farm produce requires our best efforts.

Following is a tabulated statement for the last fiscal year, commencing July 1, 1910, and ending June 30, 1911:

Following is the statement of the earnings of the Asylum and Poor Farm:

Due from State for our own insane.....	\$11,802.02
Due from State for State-at-large insane.....	844.90
Due from other Counties, care of insane.....	6,150.38
Due from our own County, care of insane.....	13,831.91
Amount paid County Treasurer by County Clerk, care of insane . . . . .	292.84
Received from farm products, etc., turned over to County Treasurer by Superintendent Manuel.....	1,824.25
Paid County Treasurer by Superintendent Manuel, care of insane . . . . .	309.86
Due from towns, cities and villages, care of poor.....	3,851.36
Due from Winnebago County, care of poor.....	368.28
Amount paid County Treasurer by Superintendent Manuel, care of poor . . . . .	310.06
	\$39,585.86

#### CONTRA CREDIT.

Asylum orders paid.....	\$31,254.44	
Interest on bonds paid.....	315.00	
Bonds paid . . . . .	1,500.00	33,069.44
		\$ 6,516.42
Balance in favor of Asylum.....		\$ 5,500.00
Bonds outstanding due Farson, Leach & Co., at 4½ %....		

We close another year at our County institution with an equally satisfactory showing with last year, and when your honorable body has made the necessary changes in the handling of the Asylum finances to make the objectionable overdraft feature impossible, the showing of Winnebago County institution will reflect credit on every citizen or the County.

The efficient management of our institutions and the handsome showing made reflects much credit on the management by Mr. and Mrs. Manuel, who have earned your highest commendation.

Dr. Bath has been most efficient in looking after the medical needs of the institutions during the past year. His report with that of the Superintendent is attached hereto, all of which is respectfully submitted.

THOMAS HOUGH,  
A. B. FREES,  
L. J. PINKERTON,

Trustees.

On motion accepted and placed on file.

Remarks by Mr. Pinkerton regarding earnings of the Asylum.

Supervisor Loope moved to refer the matter to the Finance Committee. Carried.

### COUNTY PHYSICIAN'S REPORT.

Dr. Bath read his report No. 6, as follows:

To the Honorable Board of Trustees of the Winnebago County Insane Asylum, and the Board of Supervisors of Winnebago County.

Gentlemen: The following is my official report for the fiscal year ending June 30, 1911:

#### COUNTY ASYLUM.

During the year I have made the regular semi-weekly visits to the institution, also many special visits that have been necessary from time to time. The sanitary conditions at the Asylum have been perfect, nothing having been neglected by the Superintendent or Matron which would add to the comfort or welfare of our unfortunate inmates. The food supplied them has been abundant and wholesome, well cooked and served.

The patients have been well clothed, and during sickness all necessary nursing and care have been given them, and much extra attention which would add to their comfort.

There was one case of infectious disease at the Asylum during the year, measles, in an employe, but by prompt and thorough isolation no new cases developed.

During the fiscal year there have been twelve deaths, with causes as follows:

One chronic gastritis. Two chronic endocarditis. One accidentally killed by train. One epilepsy. One carcinoma of breast. One pulmonary tuberculosis. One arterio sclerosis, and senility. One cystitis. Two acute cardiac dilatation.

There has been no serious injury of any kind during the year.

#### COUNTY POOR HOUSE.

At this institution the semi-weekly visits have also been made regularly and numerous special visits. Here there have been nine

deaths during the year and one birth. The cause of the deaths were:

Two pulmonary tuberculosis. Two arterio sclerosis. One cirrhosis of liver. One carcinoma of lung. One carcinoma of oesophagus. One senility. One pneumonia.

Those in charge of the Poor House have kept the inmates neat and in comfort. The buildings have been kept spotlessly clean and well ventilated.

#### COUNTY JAIL.

Calls to the County Jail have been promptly responded to. There has been no serious sickness here during the year and the prisoners have been well cared for.

#### COUNTY WORK HOUSE.

There have been numerous calls to the Work House during the year. No deaths or sickness of any moment has occurred here. The quarters for the prisoners have been kept clean and orderly, and the necessary attention given the inmates during sickness.

Again, to the members of the Board, the Trustees of the Asylum, and the heads of the various institutions, I am deeply indebted for their assistance and co-operation.

Very respectfully,

D. H. BATH.

On motion accepted and placed on file.

#### TWENTY-THIRD ANNUAL REPORT OF THE WINNEBAGO COUNTY BRANCH OF THE WISCONSIN HUMANE SOCIETY.

(Incorporated)

Oshkosh, Wis., October 30, 1911.

To the Honorable Chairman and Members of the Board of Supervisors of Winnebago County:

Gentlemen: I have the honor to herewith submit to you the twenty-third annual report of the Winnebago County Branch of the Wisconsin Humane Society. A few remarks about the society will not be out of order at this time, as it is the first report I make to your honorable body. The Humane Society was founded in the city of London, one hundred years ago, by Richard Martin, a member of the British Parliament. It is known as the Royal Humane Society. It proved to be such a grand success that shortly after it was copied and organized in Germany and France, and now exists in every civilized country on the globe. The first society in the United States was organized in 1866 by the immortal Henry Berg, a wealthy resident of New York City. It is known as the American Society for the Prevention of Cruelty.

Humane education is now compulsory in twelve states of the Union, and steps are being taken to make it so in Wisconsin. When we reflect on its past history, of the countless bitter tears that it has wiped away and the many aching hearts it has soothed, and animals it has relieved, we cannot help but think of the beautiful lines written by Cowper:

"I would not enter on my list of friends, though graced with polished manner and fine sense, yet wanting sensibility, the man who needlessly sets foot upon a worm."

The work of the schools of the County during the past year has been of a very satisfactory character. They are all thoroughly classified and working under the Course of Study for the schools of Wisconsin.

In addition to the regular school work the following work has been taken up for the purpose of increasing the efficiency of the public school in the community in which it is located.

SPELLING CONTESTS.

A spelling contest was held in the Oshkosh Normal School on Saturday, May 27th. Each rural school in the County was entitled to a representative in this contest. Sixty-one (61) schools were represented. Teachers have reported a marked improvement in spelling as a result of this work.

ADDING CONTESTS.

On the same date an adding contest was held in the Normal school, and each school was entitled to a contestant in this event. Seventy-three (73) schools had representatives in this contest, and the work had a splendid effect upon the arithmetic work of the pupils in the rural schools.

DECLAMATORY CONTESTS.

A declamatory contest was held on the same date and place as the adding and spelling contests. In this event each town was entitled to a representative and eleven (11) of the sixteen (16) towns responded. The work of the contestants proved that a high class

of work is being done by pupils of the rural schools along this line.

Each of the above County contests required a number of preliminary meetings in the district and town, and had the result of bringing the people of the various communities together in social and educational meetings.

This, I believe, is the solution of the rural school problem, to make the rural school the social as well as the educational center of the community, and in this manner secure the interest and cooperation of all the people of the community in the school.

There have also been organized in the County, during the past year, fifty-seven (57) corn-growing clubs. These clubs were organized during the early fall of 1910, and throughout the winter studied the subject of corn from bulletins received from the State University and other sources. In the spring corn was furnished from the County Superintendent's office to 487 members of the various clubs. The year was not ideal for the purpose, but, in spite of this fact, very good results were obtained. In all 207 acres of corn were planted, and the average yield per acre, as reported by the club members, was 142 baskets.

The contest for this club was held at the County Fair, but only 89 persons entered corn as much of it was not yet ripe at the time the contest was held. This, however, is an excellent showing for the first year. The Winnebago County Fair Association gave the winners in the contest a total of one hundred (100) dollars in prizes, and the result of the whole will be a much greater interest in this contest next year.

For the ensuing year the same work will be continued and, in addition, extension work in domestic science, farm arithmetic, and in the use of the Babcock milk test will be taken up.

In order to carry other work of the County Schools I would recommend that appropriations for the following purposes be made by this board:

SUPERVISOR OF ASSESSMENT'S REPORT.

Supervisor of Assessment, D. M. Shea, offered Report No. 12, as follows:

To the Honorable, the Board of Supervisors of Winnebago County.

Gentlemen: In compliance with the statutes I hereby present my Annual Report for the year 1911. While it is gratifying to be able to say to you that, with the exception of the towns of Nepeuskun, Poygan and the city of Menasha, there has been an increase in the assessment of 1911 over that of 1910, yet the assessment is far below representing the true value of all property in the county liable to taxation. In arriving at the true value of real estate I have used the sales method, covering a period of five years.

Table 9 shows the assessment of real property of the several districts, and also the true value of same.

Tables 1 to 8, inclusive, show the assessment, also all changes made by the Supervisor of Assessment in the different kinds and classes of personal property.

Table 10 shows the total assessment and true value of real and personal, and also the assessment and true value of all property.

REPORT OF SUPERVISING LIBRARIAN.

Miss Rupp offered the following report, No. 14:

To the Board of Libraries of Winnebago County, Wisconsin, for the period October 1, 1910, to October 1, 1911.

Gentlemen: The outlook in the work with traveling libraries is most promising. As usual the demand is greater than the supply and all libraries have again been placed for the winter. With the aid of Mr. Patch, County Superintendent of Schools, and personal visits by the Supervising Librarian, new stations were established at:

Clayton, No. 2; Mikesville; McKinnie, No. 6; Pickett, No. 3; Poygan, No. 2; Vinland, No. 1; Winchester, Zittau, and our old station, Larsen, No. 1, which had not been heard from in some years, was again supplied with a library.

The complete list of Stations where libraries are now located is as follows:

Algoma	Larsen, No. 2
Allenville, No. 1	Mikesville
Allenville, No. 2	Nekimi No. 4
Black Wolf, No. 1	Oshkosh No. 6
Black Wolf, No. 2	Oshkosh No. 2 (Nordheim)
Butte des Mortes	Pickett, No. 1
Clayton, No. 1	Pickett, No. 2
Clayton, No. 2	Pickett, No. 3
Clemansville	Poygan, No. 1
Elo	Poygan, No. 2
Eureka	Poygan, No. 3
Fisk	Poygan, No. 4
Larsen, No. 1	Rushford Grange (2 libraries)

Ring	Winnebago
Rushford, No. 2	Winneconne (2 libraries)
Vinland, No. 1	Wolf River
Waukau	Zittau
Winchester	

Of these stations Winneconne and Rushford-Grange have two libraries each.

In order to make the libraries as attractive as possible, a thorough examination of the contents of each box was made during the summer and books that had not been used for some time were taken out. For this reason it was found necessary to discard 31 books, also 22 on account of their worn condition, making the total number of withdrawals 53. Books added during the year were:

By purchase, 276; by binding of magazines, 14; by gift, 79. A total of 369 volumes, making the total number of volumes now in use 2,314; 47 books have been rebound.

The total circulation for the year was 2,272, an average of 94; the largest, 394, was at Eureka.

These figures give only a slight idea of the practical knowledge to say nothing of the pleasure and recreation the libraries bring to the out-of-way places and it is to be hoped that the County Board of Libraries will again succeed in getting the full appropriation of \$200 for the purchase of books, rebinding and other expenses.

Respectfully submitted,

JULIA RUPP, Supervising Librarian.

On motion accepted and referred to Finance Committee.

To the Honorable, the Board of Supervisors of Winnebago County:

Gentlemen: Your Committee on Illegal Assessments beg leave to report that they have had under consideration the personal property tax of 1909, which the Treasurer has been unable to collect, as follows:

Town of Oshkosh .....	\$ 3.13
City of Menasha .....	239.45
City of Oshkosh .....	712.54

Your committee would recommend that the said taxes be charged back to the above named town and cities; your Committee on illegal Assessments further beg leave to report that they have had under consideration the following petitions for the cancellation of tax certificates as follows:

The petition of W. F. Gruenwald to cancel tax certificate No. 8, sale of 1906, for \$3.10, affecting 3 acres in the corner of the S. W.  $\frac{1}{4}$  of N. W.  $\frac{1}{4}$ , section 21, town 20, range 17 in the Town of Menasha.

The said petitioner represents that the said certificate is illegal and void for the reason that the tract above described is land owned and used for gravel pit of the City of Neenah and is therefore exempt from taxation. Your committee would recommend that said tax certificate be cancelled and that the amount so paid for such certificate be refunded to W. F. Gruenwald, the owner of said tax certificate, with interest thereon at the rate of 7 per cent per annum from the date thereof and that the same be charged back to the town of Menasha as follows: Certificate No. 8, sale of 1906, tax \$3.10, interest \$1.19, total \$4.29.

Your committee further beg leave to report that they have had under consideration the petition of W. F. W. quarter of the N. W. quarter of section 23, town 20, range 14, which is a part of lot 1, section 23, said town and range, for the reason that the description is wrong and that said lands were sold for taxes and a tax deed issued thereon on the 10th day of November, 1911; your committee would recommend that said tax certificate and deed be cancelled and that the amount so paid for such certificate and deed be refunded to W. F. Gruenwald, the holder of said deed, with interest thereon at the rate of 7 per cent per annum from the date thereof, certificate No. 95, sale of 1907, tax \$2.00, interest 63 cents, paid for deed \$1.30, paid Register of Deeds 75 cents, total \$4.68, and that the same be charged back to the town of Wolf River.

Your committee further beg leave to report that they had under consideration the petition of E. W. Your committee would recommend that said certificate be cancelled and that the amount so paid for such certificate be refunded to E. W. Thomas, the owner of said tax certificate with interest thereon at the rate of 7 per cent per annum from the date thereof,

certificate 167, sale 1906, tax \$38.26, interest \$14.74, total \$53, and that the same be charged back to the City of Neenah.

Your committee further beg leave to report that they have had under consideration the petition of W. F. The petition represents that at the time of the assessment said property was owned by the St. Paul chapel, a religious society located at the City of Oshkosh, Wis., and was exclusively used as a religious society and therefore void; your committee would recommend that said certificate be cancelled and that the amount so paid be refunded to W. F. Gruenwald, the owner of said tax certificate, with interest thereon at the rate of 7 per cent per annum from the date thereof. Certificate No. 246, sale 1911, tax \$1.60, interest 6 cents, total \$1.66, and that the same be charged back to the City of Oshkosh.

Your committee beg leave to further report that they have had under consideration the petition of Joseph Fieweger for the cancellation of certificate No. 67, sale of 1911, amounting to \$19.30, affecting the following described premises, to-wit: A piece of land described as Pfister and Read's subdivision of the east one-half of the N. E. quarter of the S. E. quarter, section 15, town 20, range 17, First ward, City of Menasha, beginning 26 feet east of the N. W. corner of the south one-half of the N. E. quarter of S. E. quarter of section 15, town 20, range 17 east, running thence north 70 feet, west 115 feet, south 70 feet, east 115 feet to place of beginning; for the reason that the description is wrong and therefore void, Your committee would recommend that said certificate be cancelled and that the amount so paid for such certificate be refunded to Joe Fieweger, the owner of said tax certificate, with interest thereon at the rate of 7 per cent per annum from the date thereof. Certificate No. 67, sale of 1911, tax \$19.30, interest 63 cents, total \$19.93, and that the same be charged back to the City of Menasha.

Your committee further beg leave to report that they have had under consideration the petition of F. W. Newton, agent for the C. & N. W. Ry. Co., for the cancellation of certificate No. 159, sale of 1911, amounting to \$1.60, affecting the following described premises, to-wit: The east  $\frac{1}{2}$  of lots 38, 39 and 40, block 39, Leach's map, Fourth ward, City of Oshkosh, that the same is void for the reason that the above named property is part of the right of way of the C. & N. W. Ry. Co., and therefore exempt from taxes and therefore void; your committee would recommend that said certificate be cancelled and the amount so paid for such certificate be refunded to C. & N. W. Ry. Co., the owner of said tax certificate,

with interest thereon at the rate of 7 per cent per annum from the date thereof. Certificate No. 159, sale of 1911, tax \$1.60, interest 6 cents, total \$1.66, and that the same be charged back to the City of Oshkosh.

Your committee further begs leave to report that they have had under consideration the petition of John Harrington for cancellation of certificate No. 196, sale of 1911, affecting the following described property: Sixty feet front on Elm street, known as the south 50 feet of lot 12, block 125 in the Fifth ward, City of Oshkosh, per Leach's map; amounting to \$42.25; that said certificate is illegal and void for the reason that the said property was used for school purposes, being the State Normal School; your committee would recommend that said certificate be cancelled and that the amount so paid be refunded to E. W. Thomas, the owner of said tax certificate with interest thereon at the rate of 7 per cent per annum from the date thereof. Certificate No. 196, sale 1911, amount \$42.25, interest \$2.95, total \$42.20, and that the same be charged back to the City of Oshkosh.

Your committee further begs leave to report that they have had under consideration the petition of J. H. Beutler for the cancellation of certificates Nos. 119 and 120, sale of 1909; amount \$8.14, affecting lots 17 and 18, block 55, Fourth ward, City of Menasha; that the same is illegal and void for the reason that the said tax certificate covers lands of different owners assessed together and therefore void; your committee would recommend that said certificate be cancelled and that the amount so paid be refunded to said J. H. Beutler, the owner of the said certificates, with interest at 7 per cent from the date thereof. Certificates Nos. 119 and 120, sale 1909, tax \$8.14, interest \$1.42, total \$9.56, and that the same be charged back to the City of Menasha.

Your committee further beg leave to report that they have had under consideration the petition of E. W. Thomas for the cancellation of Certificate No. 363, sale of 1906, amount \$4.25, affecting the following premises: South 50 feet of north 400 feet of lots 4 and 5, block 128, Leach's map, Twelfth ward, City of Oshkosh; that said tax certificate was illegal and void for the reason that said property was owned and used by the Evangelical Bethlehem Lutheran church of the City of Oshkosh, Wis., and was exclusively used by the said church society, a religious organization, and therefore void; your committee would recommend that said certificate be cancelled and the amount so paid for such certificate be refunded to E. W. Thomas, the owner of said tax certificate, with interest thereon at the rate of 7 per cent from the date thereof. Certificate No. 363, sale 1906, tax \$4.25, interest \$1.64, total \$5.89, and that the same be charged back to the City of Oshkosh.

And your committee further finds that in the County Clerk's office the book of delinquent taxes for the City of Oshkosh was completely filled with the tax sale of 1911 as per section 690 of the revised statutes.
