TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:

WHEREAS, there is no precedent in recent history wherein the State Legislature has mandated a binding referendum on a local ballot which significantly affects and restricts the authority of a local legislative body of government; and

WHEREAS, the Winnebago County Board of Supervisors firmly believes that it should be the right of individual electors to petition for and request placement of a referendum on a ballot affecting how a local governing body operates and is organized, rather than by the State Legislature, whose members are overwhelmingly made up of individuals who do not reside within that local governing body.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that it directs the Winnebago County Clerk to forward a copy of this Resolution to Wisconsin Governor Scott Walker; to all members of the Wisconsin State Legislature; to the Wisconsin Counties Association, and to the County Clerk of all Wisconsin counties.

Mike Norton, District #20
Larry Lautenschlager, District #19

Approved by the Winnebago County Executive this _____ day of _____, 2013.
