5 **COUNTY ENTITLED "FUEL FLOWAGE FEES"**

6
7 **TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:**

8
9 **WHEREAS**, fuel flowage fees at Wittman Regional Airport were previously amended in September 2004
10 and were proposed to be further amended in 2008, but were disapproved; and

11 **WHEREAS**, Wittman Regional Airport is mandated by state and federal government grant assurances
12 to maintain fee and rental structures which will make the airport as financially self-sustaining as possible; and,

13 **WHEREAS**, a survey of large general aviation airports, the same category as Wittman Airport, in the
14 state of Wisconsin revealed financially-beneficial alternative methods of collecting fuel flowage fees to those
15 done by the fixed base operators at Wittman Regional Airport; and,

16 **WHEREAS**, the fuel flowage fee exemptions outlined in Section 21.05(6)(b) of the General Code of
17 Winnebago County are obsolete; and,

18 **WHEREAS**, the Aviation Committee recommends that updated fees and policy revisions to the
19 Ordinance go into effect on January 1, 2015.

20
21 **NOW, THEREFORE, BE IT ORDAINED** by the Winnebago County Board of Supervisors that it hereby
22 amends Section 21.05(6) of the General Code of Winnebago County to read as follows:

23
24 **(6) FUEL FLOWAGE FEES:** All commercial operators authorized to dispense aviation fuels at
25 Wittman Regional Airport will remit to Winnebago County the following regarding fuel flowage fees:

- 26 (a) A fee of \$0.10 per gallon for all aviation fuels delivered to commercial operators at Wittman
27 Regional Airport.
28 (b) Fuel Flowage Fees and reports by the operator(s), with a copy of the fuel load bill of lading
29 attached, within 10 days of fuel delivery.

30
31 **Fiscal Note:** The rate increase represents a 17.65% increase over a 10-year period. Using 2013 actual fuel
32 flow numbers, the estimated increase in revenue would be approximately \$10,000 annually.
