							Туре	Issued Date				
(Site plan must include setbacks and all dimensions of the huilding/project - see attached instructions)							Issued by:					

Complete and PRINT form. Submit application with ORIGINAL INK SIGNATURE, SITE PLAN and fees to our office in person or by mail. DO NOT E-MAIL

The following must be included on your site plan:

- All existing structures
- All proposed structures
- All setbacks
- Drainage arrows
- Proposed measures for erosion control
 - silt fence
 - silt sock
 - vegetative buffer 25ft minimum
- Placement of the above items for erosion control

You may use the same site plan when submitting applications for both a zoning and an erosion control permit provided they indicate the following:

- All existing structures
- All proposed structures
- All setbacks
- All dimensions
- Drainage arrows
- Erosion control (what/where)

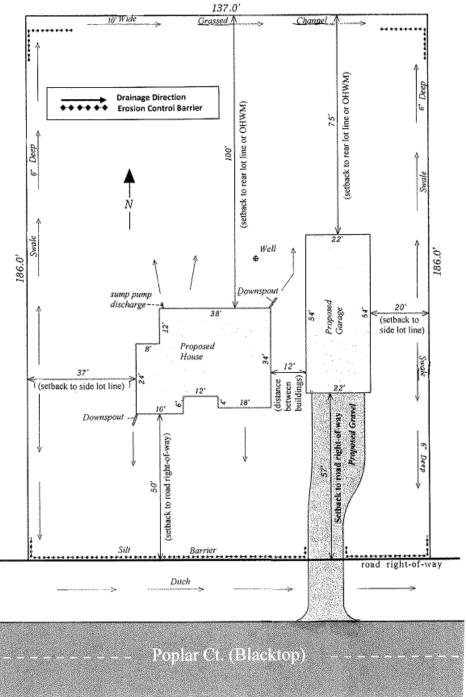

You can print a GIS map of your property at the following link:

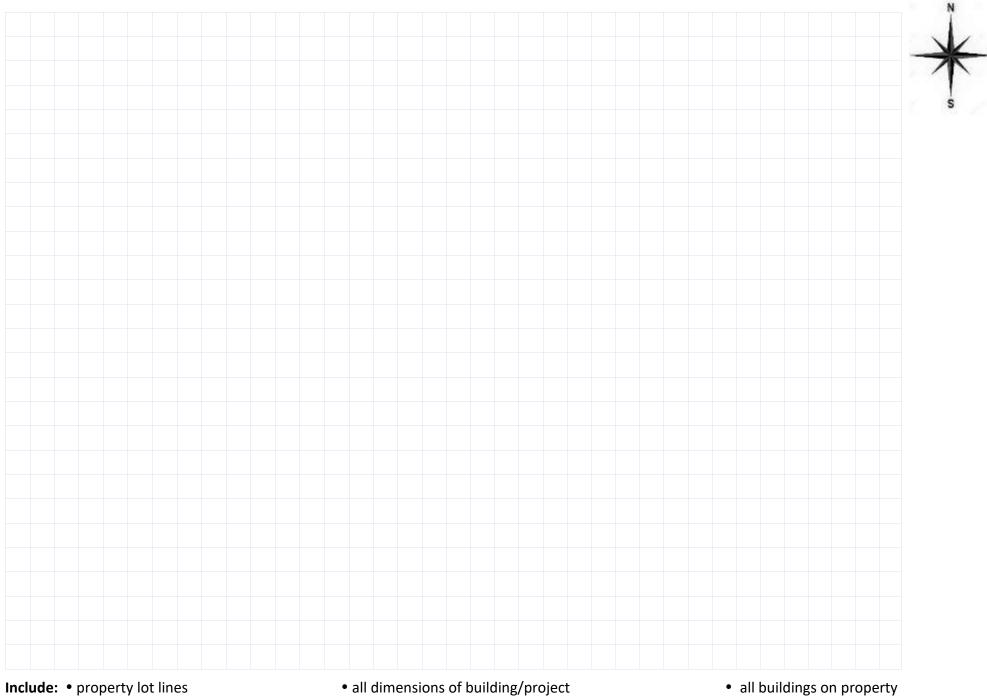

https://wcgis3.co.winnebago.wi.us/parcelviewer (please do not use the aerial view for your site plan)

Winnebago County Zoning Department PO Box 2808 112 Otter Ave, 3rd Floor Oshkosh WI 54903-2808 920-232-3340 zoningdepartment@winnebagocountywi.gov

Important: it is your responsibility to contact your town to determine if other permits are required.

SAMPLE SITE PLAN EROSION CONTROL & DRAINAGE

• setbacks from lot lines

setback from road right-of-way

• distance between existing and proposed structures

• indicate roads
