HISTORY OF WINNEBAGO COUNTY

WINNEBAGO COUNTY was established in 1840. With the convenience of water transportation, the area saw increasing numbers of explorers, traders, and settlers arriving to stake out property boundaries and establish a mode of life for the next two centuries. Among them were many from Germany, Holland, and other European countries who set the nationality and social heritage pattern of the area.

Before admission of Wisconsin to the Union, the County of Winnebago was created by separation from Brown County in 1840. The County was named for an Indian nation in the area whose land was purchased by the U.S. Government, which in turn opened the land to settlers. Abundant water, which provided access in the early days, is still a valuable asset. Winnebago County has an actual land area of 286,912 acres. Another 80,000 acres is occupied by streams, rivers and ten surveyed lakes. Lake Winnebago is the largest lake in Wisconsin and one of the largest in the nation contained in one state.

Winnebago and neighboring Fond du Lac, Calumet, and Outagamie counties rank among the fourteen most highly urbanized counties in the state, with the most rapid economic and population growth in the past decade.

The county is bounded on the north by Outagamie and Waupaca counties, with most of the eastern boundary outlined by Lake Winnebago except for a small portion adjoining Calumet County. Fond du Lac County marks the southern limits, and the counties of Green Lake and Waushara define its western border. Oshkosh is the county seat and within the county's borders are the 15 towns of Algoma, Black Wolf, Clayton, Neenah, Nekimi, Nepeuskun, Omro, Oshkosh, Poygan, Rushford, Utica, Vinland, Winchester, Winneconne and Wolf River, the Village of Fox Crossing, the Village of Winneconne, the four cities of Menasha, Neenah, Omro and Oshkosh, and a small portion of the City of Appleton.

Oshkosh, located seven miles beyond the confluence of the Fox and Wolf Rivers, at the point of their entry into the lake, was an early center of the lumber industry. Rivers and lakes brought logs from Northern Wisconsin and for many years lumbering was the leading industry of the city. Enormous fortunes were made, serving as a background for the diversified industries that followed.

Neenah-Menasha, known as the "Twin Cities," is in the northern part of the county on the north end of Lake Winnebago. It's in Neenah-Menasha that the Fox River flows out of Lake Winnebago. It was here that early centers for milling wheat and lumber were situated. Later, as manufacturing grew in importance and railroads replaced rivers and lakes as a means of transportation, Neenah-Menasha became important industrial centers with the paper industry leading the way.

In May 1843, the first county board meeting was held at the home of Webster Stanley, in the Town of Winnebago. The three supervisors of the Town of Winnebago and a clerk represented the total county population of 132. The supervisors voted to raise fifty dollars by taxes for county expenses.

The first county courthouse was erected in 1847 in the Village of Oshkosh and replaced by a larger structure in 1854. In 1938 the present building was erected at Jackson Street and Algoma Boulevard in the City of Oshkosh.

The current Winnebago County Board is made up of 36 county supervisors representing the county's 172,943 residents (2024 estimated census figures).

26.0 AD-HOC TASK FORCE ON THE WRITTEN RULES OF THE 2024 – 2026 WINNEBAGO COUNTY BOARD OF SUPERVISORS

An ad-hoc task force on the written rules of the 2024-2026 Winnebago County Board of Supervisors, is established. This ad-hoc task force will consist of seven (7) supervisors appointed by the Chairperson of the Winnebago County Board of Supervisors and will regularly report its findings and submit specific resolutions or ordinances to the Judiciary and Public Safety Committee after consultation with Corporation Counsel for vote consideration before any action is taken by the Winnebago County Board of Supervisors. Any specific resolution or ordinance recommended by the ad-hoc task force on the written rules of the 2024-2026 Winnebago County Board of Supervisors must prevail with a majority vote of the Judiciary and Public Safety Committee. This ad-hoc task force will automatically disband after the last Judiciary and Public Safety Committee meeting in May 2025. The Winnebago County Board of Supervisors may act on any specific resolution or ordinance recommendation by the ad-hoc task force and passed by the Judiciary and Public Safety Committee after May 2025. Notwithstanding the provisions of 3.8 of these rules, any rule change approved by the Judiciary and Public Safety Committee by May 2025 in accordance with this rule may be approved by the Winnebago County Board of Supervisors with a vote of a majority of members present no later than the June 2025 County Board Business Meeting. The aforementioned task force shall not address any rules affecting committee structure.

Approximately 137,953 of the estimated population for Winnebago County are of voting age. The County's voting age population is the summation of the voting age population for all communities within the county. This approximation is a courtesy estimate which helps you comply with Wisconsin Statute 5.66, which requires municipal clerks to approximate the number of electors prior to elections. The voting age population was calculated by applying the census proportion of persons over 18 to the preliminary January 1 estimate, and then multiplying the result by a state-wide factor to account for the general aging of the population.
