

WINNEBAGO COUNTY
Board of Adjustment
Thursday, August 22, 2019
County Administration Building
112 Otter Ave
Oshkosh, WI

Present: Board of Adjustment Members: Larry Kriescher, Thomas Tuschl, Sue Drexler, Gregg Kargus and Arden Schroeder.
Emmett Simkowski-Code Enforcement Officer

The Committee met at 8:00 a.m. at County Administration Building then departed to view the following property:

1. Don Saringer 6583 Clark Rd. – Larsen – Variance Request

It has been noted that the parcel in questions holds multiple addresses and that the address on the notice of public hearings of 6559, generated by Winnebago Integrated Land Development System, is not consistent with the actual physical address of 6583 Clark Rd.

The meeting was adjourned at 9:20 a.m.

Respectfully,

Emmett Simkowski
Recording Secretary
