Parcel Identification Number (PIN)

A 12 foot wide easement strip, the center line of which is described as follows:

See the **Attached Exhibit "A"**

Grantor acknowledges that the measurements used in the above description or shown on the attached Exhibit "A" are approximate. Grantor agrees that the actual location of grantee's facilities as built and installed will be controlling as to the location of the easement granted.

Grantor grants to the Grantee the perpetual right, privilege and easement to enter upon the Easement Area for the purpose of constructing, installing, operating, maintaining, inspecting, removing, replacing or abandoning in place the Facilities. The Grantee shall have the right to enter on and across any of the Grantor's property outside of the Easement Area as may be reasonably necessary to gain access to the Easement Area and as may be reasonably necessary for the installation, operation, maintenance, inspection, removal or replacement of the Grantee's Facilities. Except in the event of an emergency, Grantee shall make reasonable efforts to notify the Grantor before going upon Grantor's property outside of the Easement Area.

Should Grantee's work on its Facilities require excavation, the Grantee shall restore the surface of the Easement Area to its condition prior to Grantee's work. All work performed by the Grantee pursuant to this Easement will be performed in a safe and proper workmanlike manner

The Grantee shall have the right to control all brush and trees within the Easement Area by cutting, trimming, chemically treating and/or other means as may be reasonably necessary, within Grantee's exclusive judgment, to prevent interference with or damage to Grantee's Facilities.

In order to insure the use of the Easement Area conforms with the (Wisconsin Gas Safety Code) (Wisconsin Electrical Code) and the Grantee's construction standards, the Grantor shall not permit any of the following to occur within the Easement Area without first securing the written consent of the Grantee: (i) construction of any improvements, including buildings or other structures; (ii) placement of any other objects, or (iii) change the grade more than four (4) inches.

Grantee shall indemnify and hold Grantor harmless from and against any liability associated with Grantee's use or occupation of the Easement Area, except where such liability arises from the negligence or willful misconduct of Grantor.

The covenants herein contained shall bind the parties hereto and their respective heirs, executors, administrators, successors, and assigns. No failure or delay of either Party in enforcing its rights hereunder shall act as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right set forth herein. This Easement may be executed in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

WITNESS the hand and seal of the Grantor the day and year first above written.
