RE: Notice of injury and Claim For Damages
- Pursuant Wis. Statute § 893.80

Date: December 17, 2020

Dear County Clerk

I Hereby Serve you with the following notice
of injury and Claim For Damages pursuant wisstat § 893.80

I Was Booked into the Winnebago Co Jail ("Jail") on
7/6/20. I went through A 14 day quarantine in B-Pod.

Then After I Successfully Passed through B-Pod, I Was
transferred to D52, Which is An open Pod of 68 inmates.

All the inmates Were Not infected With the Covid-19
virus during the months of July through October 2020

(Page 1 of 2)

Then During the middle of November 2020, inmate Jaynes Owens became very sick and left DSA. However, he was visibly sick for several days, Before he was Removed From DSA. Then the WCT Administrators; Sheriff Matz, Jail Administrator Captain Christie, Lt. Lichtsteiger, and Lt. Rozew, Contacted The National guard And had them test all the inmates in DSA And Staff For Covid-19 on Friday November 13, 2020, I tested Negative For Covid-19 With my 11/13/2020 Test. That Same Day November 13th, 2020 I Started Feeling Symptoms. I had an headache and Could not taste. on November 14th, 2020 I was sent to An Isolated medical Cell because I almost Fainted And had A 102.7°F Fever. I then tested Positive on November 23rd, 2020, my Symptoms increased and included: Severe headaches, muscle/joint Pain, loss of taste & smell, Fatigue, dizziness, nausea, and diarrhea.

The Aformentioned WCT Administrators were Negligant Because they had no Covid-19 virus Preventative measures and/or Procedures in Place to test the Pod Deputies and WCT Staff For Covid-19 on a Weekly Basis Since the CDC classified the Covid-19 virus as a pandemic The first time that WCT administrators Tested the Pod Deputies And WCT Staff For Covid-19 Was on Friday November 13th, 2020, When the WIARNG Came to the WCT, the WCT deputies Brought the Covid-19 virus With them From the outside Community to the Pod-DSA And infected the inmates, including me. I Am Demanding \$50,000 in Compensatory damages for Pain and Suffering And Unknown long term effects of having the Covid-19 virus.

Sincerely,
