TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:

WHEREAS, an accurate accounting of citizens and non-citizens living in the United States is important as it is required by law and also determines fair political representation; and

WHEREAS, the redistricting process begins when the County receives the federal decennial census numbers from the state. Once the data is received, a three-stage process begins with the county developing a tentative supervisory district plan followed by municipalities developing ward and aldermanic district plans and finally the county adopting the final supervisory district plan. A county's ability to redistrict is governed by the concepts of compactness, contiguity and substantial equivalence of population; and

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby
zes tentative Supervisory District Plan- Option 3 to be forward to municipalities so they can develop ward and
anic district plans.
