August 24, 2023

Dear Mr. Doemel,

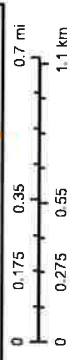

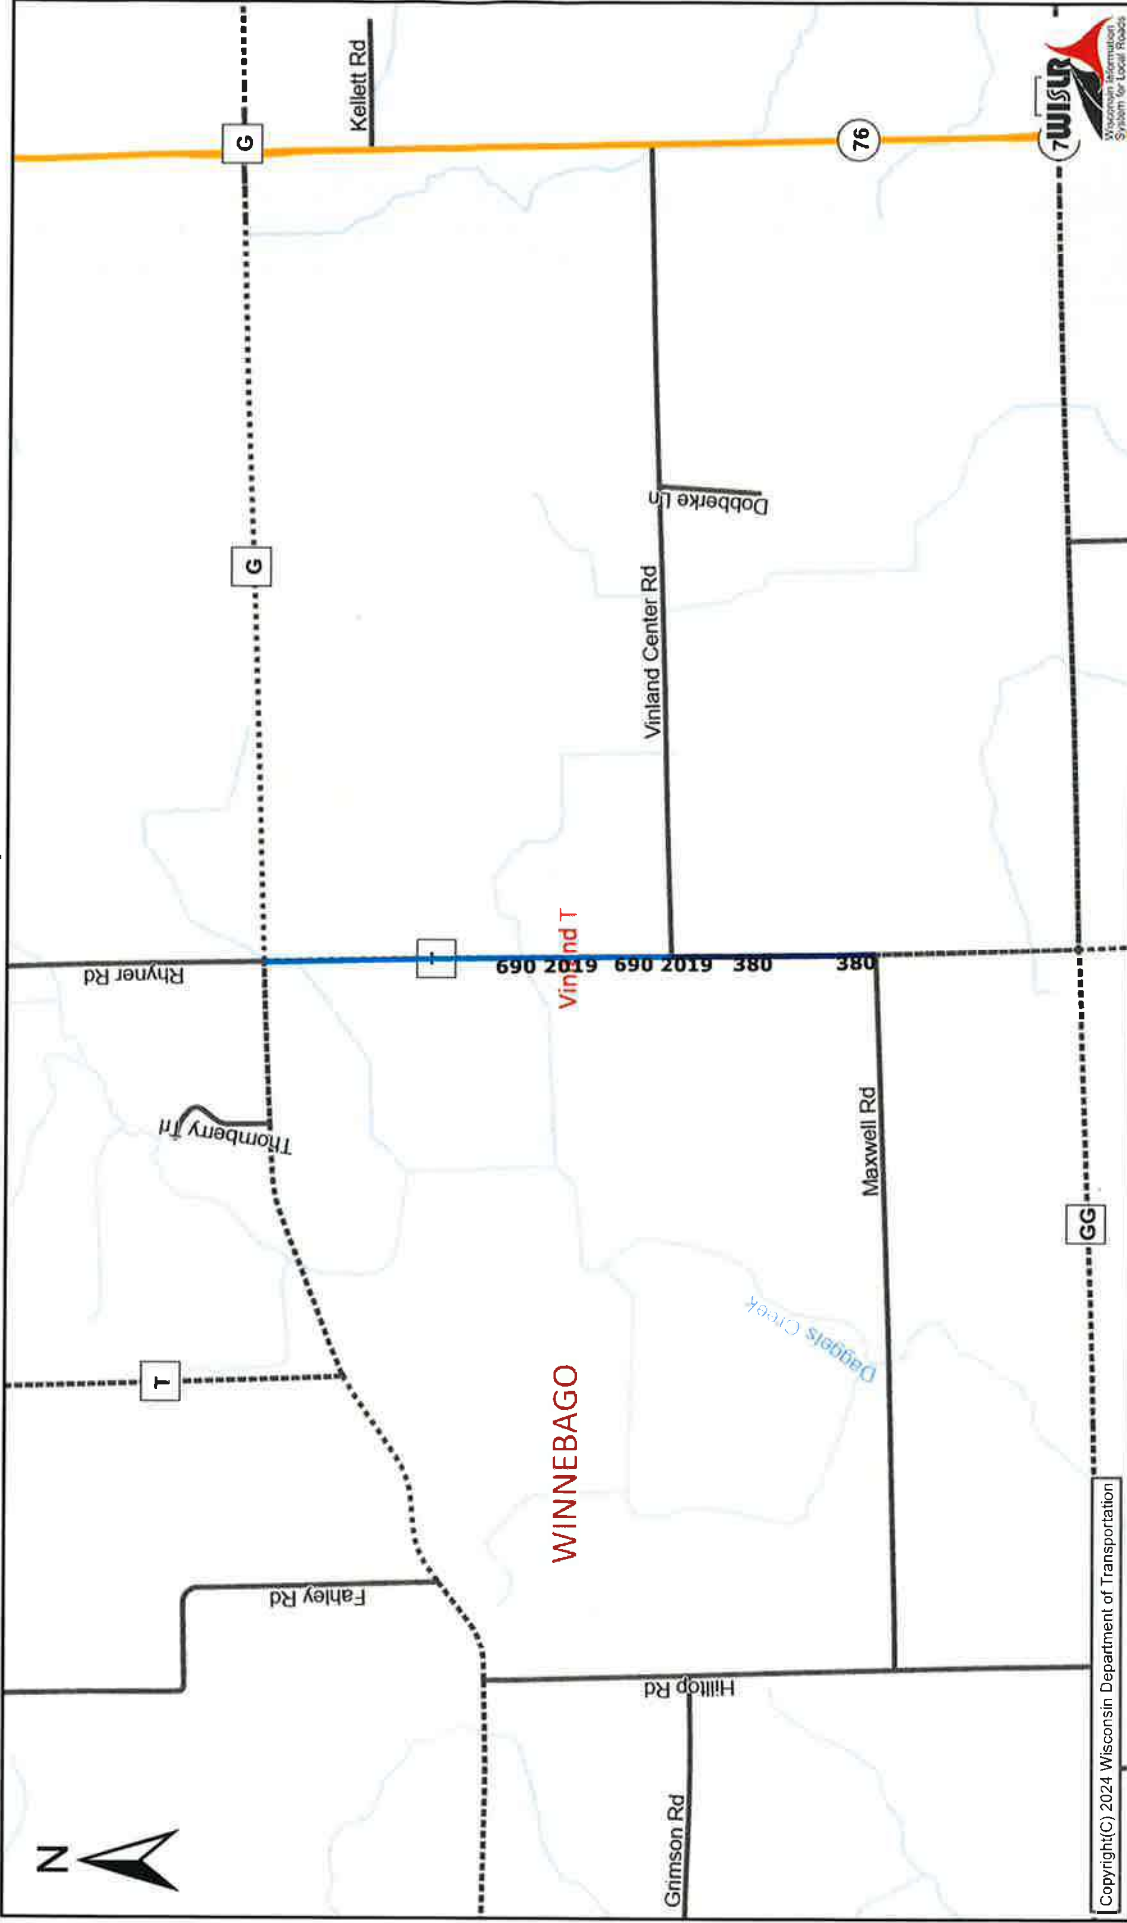

On behalf of the ATV / UTV enthusiasts in Winnebago County, thank you for considering allowing ATV / UTV traffic on Winnebago County Highways located in the Town of Vinland. All parties interested in this issue understand county ordinances regarding traffic counts as the determining factor in this decision and accept that under current limits, most county highways in the town cannot allow ATV / UTV traffic. During our meeting several weeks ago you did state the traffic counts on the section of County Highway T between County Highway G and Maxwell road are below the limits for ATV / UTV traffic. The local ATV / UTV community has requested that this section of highway be added to the town roads which do allow ATV / UTV traffic. A map of town roads open for ATV / UTV traffic along with the proposed section of County Highway T is attached. Please review and respond with any questions or concerns and the signage requirements for Highway T.

Sincerely,

*Donald O'Connell*

Donald O'Connell
