Please Register ahead of time (you will receive zoom info after registering) : <https://forms.gle/HufCF8MpaLWc65aDA>

In this book, Irving describes her “Aha!” moment regarding the racial tensions she sensed in her life and in society. This moment launched an adventure of discovery and insight that drastically shifted her worldview and upended her life plan. You are encouraged to read the book prior to this session, but it is not necessary.

All are invited to join this discussion group, as these highly topical issues are explored. Share, listen, gain new insights, and make new friends.
