For: for reimbursement of charges for service call, mount and balance of tire. There was no charge for tire as the tires were brand new. Blown right front tire caused by hitting a chuck hole.

Going north on Racine (by Calder Stadium) turned left going west. Hit a chuck hole on the corner. Blew my right front tire. To replace the tire was no charge because they were brand new. Mount & balance plus service call came to \$83.55. I called the highway dept. to report it. I appreciate it if I can be reimbursed.
