RE: THINK

No Update available.

24/7 Legislation

The proposed legislation is ready and expected to be introduced in April, 2015. The bill has DOT funding and DOJ support.

Good Choices

The Good Choices program is ready to be implemented. The program will be offered to first time offenders upon their contact with law enforcement. The program will require participants to observe a video regarding consequences of court proceedings and CCAP and then take a test. Successful completion will result in no citation or criminal charge being issued. There is a \$50 fee for the program. The Winnebago County Sheriff's Office will be the first agency to use the program and then it will be expanded to other law enforcement agencies in the county.
