Motion by Supervisor Robl and seconded to approve the proceedings from the September 6 and September 20, 2011 Winnebago County Board meetings. CARRIED BY VOICE VOTE.

COUNTY EXECUTIVE'S REPORT

Executive Harris told the board that there will be some changes to his proposed budget because of changing debt dynamics in regard to the health departments' consolidation. The Cities of Oshkosh and Neenah will continue to levy for their health department on their budgets for 2012. It should be totally on the county's levy by 2013, but we will actually be providing the services on a lease basis for 2012 to Oshkosh and Neenah.

He also told the Board that this is the 3rd consecutive year that the total county spending in the budget is declining and in this budget, there is a small decrease in the total tax levy.

Executive Harris spoke about the United Way campaign and that is underway in Winnebago County. The forms for donation are on their desks. Anyone who contributes to the United Way will be eligible for a prize contributed by Executive Harris.

Executive Harris urged support of Resolution No. 298-10211: "Consolidate Health Departments for the County of Winnebago, City of Oshkosh, and City of Neenah and form a Combined Health Department".

Supervisor Norton asked Mr. Harris his thoughts on the new concealed carry law that would soon be in effect in Wisconsin. Mr. Harris told the Board that many county buildings were already posted for firearms, but it is his feeling that a sign will not keep out a person who is determined to get a firearm into a building.

Supervisor Hegg asked Executive Harris to clarify why the budget is only showing partial funding for the consolidation for the health departments, when earlier it was thought the budget would reflect a total consolidation of all health departments for 2012. Mr. Harris told the Board that the Cities of Oshkosh and Neenah will continue to levy for their health departments and then lease services from us. The major change will be revenues from Neenah and Oshkosh will come to the county in the form of leased revenues for services rather than be directly on our levy.

There was discussion among the Board regarding liability issues of posting for concealed carry.

COUNTY CHAIRMAN'S REPORT

Chairman Albrecht told the Board that on their desks was a Corrected Ordinance 297. Supervisor Widener is excused from tonight's meeting.

COUNTY CHAIRMAN'S APPOINTMENT

Chairman Albrecht asked for the Board's approval of his appointment of Supervisor Singstock to the Parks and Recreation Committee to replace Supervisor Swanson who has resigned from the Board. It was moved by Supervisor Finch and seconded. CARRIED BY VOICE VOTE.

PRESENTATION OF \$5000.00 FROM LAUREE RENAUD, PRESIDENT OF GREEN LAKE GREENWAYS FOR IMPROVEMENTS ON THE MASCOUTIN VALLEY STATE TRAIL

Parks Director Rob Way introduced Lauree Renaud, from the Green Lake Greenways. Ms Renaud's groups of volunteers have been working over the past several years raising money by fundraising activities to donate \$5000.00 toward the rehabilitation of the Mascoutin Valley Trail.

Ms. Renaud told the Board that the Mascoutin Trail is a favorite walking trail in our area. It runs between the Cities of Ripon and Berlin. There is 5 ½ miles in Winnebago County. She thanked the Winnebago County Park's Department for their cooperation and support of the efforts to renovate the trail.

WINNEBAGO COUNTY FARMLAND PRESERVATION PLAN PRESENTATION

Jerry Bougie, Director of Planning introduced Charlie Handy from Civi Tech Consulting to the Board. Mr. Bougie told the Board that the County Farmland Preservation draft plan will be brought to the Board at the November meeting for approval. They have been working on the plan for 2 years.

Mr. Handy, the project leader on this plan, told the Board that they received a significant amount of public input on this plan. Farmland Preservation is very important for economic development, for rural character and also urban areas of the county.

Mr. Bougie and the Winnebago County Corporation Counsel certified that this plan does not jeopardize one standard of the Wisconsin State Statutes. The plan has been submitted to DATCP for their certification. They reviewed it once and gave comments and the plan was improved. Mr. Handy believes that the certification from DATCP is coming very soon.

Mr. Handy told the Board that the map in their packets will show what Farmland Preservation will look like in Winnebago County. There will be a copy of that map on file in the Planning Office. There are 3 areas of certified Farmland Preservation in Winnebago County and they are qualified for certain benefits from the state. There is one local Farmland Preservation area that may be taken on for providing additional benefits.

The steering committee has approved this, as well as the Planning and Zoning committee. This will come before the Board as an amendment to the Comprehensive Plan in the form of an Ordinance.

Mr. Handy, Jerry Bougie then took questions from the Board regarding Farmland Preservation and its impact on Winnebago County.

WINNEBAGO COUNTY PUBLIC HEALTH DEPARTMENT CONSOLIDATION FEASIBILITY ASSESSMENT PROJECT SUMMARY

Christine Smith, Principal Planner for Baker Tilly Virchow Krause, LLP, introduced herself to the Board and told them that the presentation would be regarding the findings of the feasibility study. She also introduced Dave Hronis, Project Manager, who will be able to provide more of the details of the study. Also available for questions is Dennis Hibray, Director of NE Division of Public Health, Doug Geiryn – Winnebago County Public Health Director and Executive Harris.

Ms. Smith told the Board that this is a great point to be at. The consolidation is ready to move forward in a manner that benefits residents throughout the county from both a physical and service delivery perspective. After two years of discussions there are 3 entities to come together with a recommendation to merge the currently independent health departments. At this point, the City of Menasha determined that this was not the right time for them and has bowed out. However, the door is always open if at a future time they wish to join the consolidation.

The steering committee consisted of elected officials, public health directors, Manager of the City of Oshkosh and finance directors. They were integral to the project in framing the discussions, providing and evaluating all the data used to do the assessment, as well as making important decisions and recommendations throughout the project.

The 3 entities have had all their concerns addressed and all questions answered and at this point, are ready to move forward with this project.

Several factors were taken into consideration during the study:

How each department was currently delivering public health

- Staffing approaches and levels
- Population being served
- Service approaches

Once these were done, the costing piece of analysis was done. There was extensive data gathered and the input from that data came from management and staff members of each entity. After it was determined what was different and what was similar in each department, different models were looked at to see what might be feasible. There were 8 models. The committee worked through all 8 and determined the model being presented tonight is the most feasible. The primary reason for this choice is that the 3 entities are very close in their approach to services.

Not every detail has been worked out, however, the parties involved have reached the point where they are confident that they can figure out any details in a manner that will make sense for the individual departments, as well as residents being served.

Oshkosh will be voting on their resolution on November 25 and the City of Neenah will vote on theirs November 2.

Current staff at all departments will have the opportunity to join the expanded County Public Health Department. The service locations will not change with one exception. The City of Oshkosh location will close and move to the County Health Department facilities. It will be up to the department to decide how to provide services. The services provided will not change.

The consolidation will reduce staff significantly by not filling current vacancies. Many entities have functioned with staff vacancies for a couple of years. It is currently estimated that 9.5 fulltime employees will be reduced upon consolidation. Some other fulltime employees have been identified for long term reduction if and when the department starts to work together more efficiently. It is unsure whether or not this will come to fruition, and it will be up to the department head to make the determination.

Mr. Hronis took the Board through the levy impact. A handout of the levy impact had been provided to the Board prior to the meeting and is available in the County Clerk's office.

Total taxpayer funded public health expenditures will fall from \$1.7M to \$1.4M annually. The City of Neenah and Winnebago County residents will contribute less tax levy than in the past. City of Oshkosh will see a levy increase. Without the merger, entities involved would likely see an increase in the public health levy rate.

Overall service delivery strategy will not change in the short term. Moving forward, specific programs will be adjusted on emerging public health best practices and industry standards.

An intentional slow and deliberative path was taken to reach this point. This was done to get rid of any concerns all parties involved may have had, and to make sure of a positive fiscal impact without a significant impact on service levels. This merger will provide a more seamless public health service to the residents of Winnebago County.

After this presentation, the staff of Baker Tilly Virchow Krause, LLP, Dennis Hibray – Director of NE Division of Public Health Services, Executive Harris and Doug Geiryn – Winnebago County Public Health Director took questions and concerns from the board.

(B) **Tax Collection.** So long as any part of the principal of or interest on the Notes remains unpaid, the County shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the County and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the County then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the County, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the County may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for \$3,715,000 General Obligation Promissory Notes, dated November 8, 2011" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. The County Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the County at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the County above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the County, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the County, unless the County Board of Supervisors directs otherwise.

Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the County and disbursed solely for the purposes for which borrowed or for the payment of the principal of and the interest on the Notes. In no event shall monies in the Borrowed Money Fund be used to fund operating expenses of the general fund of the County or of any special revenue fund of the County that is supported by property taxes. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purposes shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the County, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The County represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The County further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The County further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The County Clerk or other officer of the County charged with the responsibility of issuing

the Notes shall provide an appropriate certificate of the County certifying that the County can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The County also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the County will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Designation as Qualified Tax-Exempt Obligations. The Notes are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 11. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the County by the manual or facsimile signatures of the Chairperson and County Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the County has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The County hereby authorizes the officers and agents of the County to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

Section 12. Payment of the Notes; Fiscal Agent. The principal of and interest on the Notes shall be paid by Associated Trust Company, National Association, Green Bay, Wisconsin, which is hereby appointed as the County's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Fiscal Agency Agreement between the County and the Fiscal Agent shall be substantially in the form attached hereto as Exhibit F and incorporated herein by this reference.

Section 13. Persons Treated as Owners; Transfer of Notes. The County shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and County Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The County shall cooperate in any such transfer, and the Chairperson and County Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 14. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the County at the close of business on the Record Date.

Section 15. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the County and on file in the County Clerk's office.

Section 16. Official Statement. The County Board of Supervisors hereby approves the Preliminary Official Statement with respect to the Notes and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the County in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate County official shall certify the Preliminary Official Statement and any addenda or Final Official Statement. The County Clerk shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 17. Undertaking to Provide Continuing Disclosure. The County hereby covenants and agrees, for the benefit of the owners of the Notes, to enter into a written undertaking (the "Undertaking") required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the County to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

The County Clerk, or other officer of the County charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the County's Undertaking.

Section 18. Record Book. The County Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 19. Bond Insurance. If the Purchaser of the Notes determines to obtain municipal bond insurance with respect to the Notes, the officers of the County are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and County Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and County Clerk including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County Board of Supervisors or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.
