## RESOLUTIONS AND ORDINANCES

### **RESOLUTION 290-12014: Assembly Bill 444 and Senate Bill 355: Fees Imposed on Disposal of Solid Waste**

WHEREAS, current law imposes on generators of solid waste several fees based on the tonnage of solid waste disposed of at solid waste disposal facilities (landfills); and

WHEREAS, these fees are collected by and paid to the Department of Natural Resources (DNR) by operators of landfills; and

WHEREAS, the above legislation seeks to create additional exemptions from a \$13.00 per ton State fee; and

WHEREAS, these bills are identical to 2011 Assembly Bill 643 introduced in February 2012; and

WHEREAS, the proposed legislation would add three (3) additional areas of fee exemption, those being:

a) An exemption for trash that people mistakenly recycle, as well as those items placed in recycling bins which a recycling processing facility is unable to capture or utilize would be exempted from fees;

b) Contaminated soils from ground-filled sites, which are provided a project activity number by the DNR, would also be eligible for an exemption; and

c) An exemption would be provided to the landfill for tipping fees that a customer refuses or fails to pay; and

WHEREAS, it is estimated that the Brown/Outagamie/Winnebago Counties jointly owned and operated municipal recycling facility would save approximately \$52,000 per year if these exemptions are provided.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby indicates its support for the passage of Assembly Bill 444 and Senate Bill 355.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that it hereby directs the Winnebago County Clerk to transmit a copy of this Resolution to all legislators representing constituents within Winnebago County, to the Wisconsin Counties Association, and to the Office of Governor Scott Walker.

### **RESOLUTION 291-12014: Oppose Senate Bill 349 and Companion Assembly Bill 476**

WHEREAS, Senate Bill 349 and companion Assembly Bill 476 have been introduced in the State Legislature with regard to non-metallic mining sites; and

WHEREAS, these Bills attempt to create uniform standards state-wide for non-metallic mining sites as a result of frac sand mining; and

WHEREAS, said Bills shall limit local control over non-metallic mining sites throughout the State of Wisconsin, including sites in Winnebago County; and

WHEREAS, under present existing State laws, local governments are allowed sufficient oversight over non-metallic mining sites; and

WHEREAS, under present law, counties are able to manage non-metallic mining sites via conditional use permits, which allow control of hours of operation, truck traffic, air and water quality standards, blasting schedules, etc. The pending legislation would only allow counties to issue a one-time permit without imposing conditions and without the ability to address any expansions onto contiguous areas of non-conforming, non-metallic mining sites; and

WHEREAS, the proposed Bills would cause difficulty in planning for existing and future land uses relative to the comprehensive planning law by allowing non-metallic mining sites to expand without regard to communities' long-range land use plans, causing potentially significant land use conflicts, particularly in relationship to residential development.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby indicates its opposition to Senate Bill 349 and Assembly Bill 476.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that it hereby directs the Winnebago County Clerk to transmit a copy of this Resolution to all legislators within the State Legislature who represent Winnebago County constituents, to the Wisconsin Counties Association, and to the Office of Governor Scott Walker.

**ORDINANCE 297-12014: Amend Winnebago County General Code Section 19.24(11)(b) and (d) to Include a Three-County Annual Boat Landing Trailer Parking Permit at County-Owned Boat Launches on Lake Winnebago**

WHEREAS, the Winnebago County Parks Department has operated public boat launches at the Black Wolf, Osh-O-Nee, and Asylum Point properties for many years; and

WHEREAS, in 2013 Winnebago County sold 1,498 boat landing trailer parking stickers and approximately 15,792 daily permits that in turn generated \$132,510 in revenue, which is to be reinvested in the County Park System, specifically, for boating facilities at the seven County-owned launch sites; and

WHEREAS, over the past year, counties around Lake Winnebago worked together on Weigh-In on the Winnebago, a multi-governmental and private effort to reach out to the public around the Winnebago system on ways to better take care of the system; and

WHEREAS, the three big outcomes of the outreach effort are to address algae blooms, polluted runoff, and invasive species, all large scale issues requiring an extensive period of time and dollars to address; and

WHEREAS, a number of smaller but still important outcomes of the outreach effort include establishing a universal boat launch permit for public boat launches around Lake Winnebago; and

WHEREAS, the counties of Calumet, Fond du Lac, and Winnebago have reached an agreement to establish a three-county annual boat landing trailer parking permit for 2014, which is essentially a boat launch permit that the three counties will sell in addition to the permit programs already established within each of the three counties; and

WHEREAS, the three-county annual boat landing trailer parking permit will be sold by all three counties with the county issuing the permit retaining the proceeds of the permit sale.

NOW, THEREFORE, BE IT ORDAINED by the Winnebago County Board of Supervisors that Winnebago County partner with Calumet County and Fond du Lac County to establish a \$50 three-county annual boat landing trailer parking permit at Black Wolf, Osh-O-Nee, and Asylum Point boat landings starting in 2014..

BE IT FURTHER ORDAINED by the Winnebago County Board of Supervisors that the following amendments be made to Section 19.24(11)(b) and (d) of the General Code of Winnebago County:

19.24 FEES AND CHARGES

(11) BOAT LANDING TRAILER PARKING PERMIT FEES.

(b) Annual permits. Annual permits shall be valid from ~~March 31~~ *the date of* issuance through ~~March 30~~ *December 31* of the following same calendar year. Multi-year permits shall be valid for three (3) years from the date of issuance through ~~March 30~~ *December 31* of the third *calendar* year after issuance. Annual and multi-year permits shall be sold through the Parks Department and/or other outlets as are designated by the Director of Finance for Winnebago County.

(d) Fees. The *THREE-COUNTY ANNUAL BOAT LANDING TRAILER PARKING PERMIT valid at Black Wolf, Osh-O-Nee, and Asylum Point Boat Landings, shall be \$50.00.* The WINNEBAGO COUNTY ANNUAL BOAT LANDING TRAILER PARKING PERMIT shall be \$25.00 for residents, \$20 for senior residents age 55 years or older, and \$90.00 for non-residents.

*Fiscal Note:* This Ordinance does not require an appropriation from the County General Fund. It is extremely difficult to determine the fiscal impact of this new launch fee. It appears that there were 173 residents from Fond du Lac County and 4 residents from Calumet County who purchased a Winnebago County Boat Landing Parking Permit in 2013. Additionally, 15 residents from Winnebago County purchased a Fond du Lac County sticker, and Calumet County recorded no sticker purchases from Winnebago County residents in 2013. The impact on fee collections is unknown at this time. Staff and Committee members will evaluate the impact of this new launch fee at the end of the boating season and make a recommendation on an extension or elimination of the three-county season permit beyond 2014.

**RESOLUTION 298-12014: Authorize Submittal of Application for a City of Oshkosh Conditional Use Permit for Programming of Motorsports Events at the Sunnyview Exposition Center Racetrack**

WHEREAS, with the completion of the Sunnyview Exposition Center Racetrack in 1998, the venue has since developed into a highly-regarded motorsports racing site that has been actively used each summer over the past fifteen (15) years; and

WHEREAS, the programming of motorsports events at the Sunnyview Exposition Center Racetrack has been a prominent addition to the list of leisure opportunities made available in Winnebago County; and

WHEREAS, your Parks and Recreation Committee has determined that it would be beneficial for Winnebago County to continue to make use of the excellent racetrack facilities developed at the Sunnyview Exposition Center along with the dirt track course considered to be among the best in the upper Midwest; and

WHEREAS, although the existing 2008-2017 City of Oshkosh Conditional Use Permit remains in effect, your Parks and Recreation Committee has also determined that it would be beneficial for Winnebago County to assist in facilitating an operational change being requested by the racetrack promoter that the length of the racetrack event programming be extended from the current 10:30 p.m. curfew to an 11:00 p.m. curfew; and

WHEREAS, in order to institute the aforementioned change in curfew time it will be necessary for Winnebago County to obtain a new City of Oshkosh Conditional Use Permit, and it would be appropriate for this permit to reflect the standard ten (10)-year period that has typically been submitted for past racetrack Conditional Use Permits.

WHEREAS, it is in the best interests of Winnebago County to permit such use of the racetrack facility in order to maximize its use and ensure generation of revenue; and

WHEREAS, the annual event rental rate shall be \$295.50 per single calendar date event in 2014 and shall be increased by 5% to \$310.28 per single calendar date event in 2015. Moreover, the special event rental rate shall be \$670.05 in 2014 and shall be increased by 5% to \$703.55 in 2015. WHEREAS, the Public Health Department received revenues in excess of the budgeted amounts for grants, client cost share fees, nursing services, inspection fees, and school nursing revenues totaling \$135,005; and

WHEREAS, expenses exceeded budget in the Travel and Other Operating Expenses categories by \$62,849, primarily because the additional revenues allowed the Department to increase the level of services provided to Winnebago County residents and provided additional funding for increased staff training.

WHEREAS, there is also higher premium revenue in the fund due to it being under budgeted for 2013; and

WHEREAS, the additional revenues are more than sufficient to cover the additional claims expenses without needing to take funds out of the fund balance.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby authorizes increasing the revenue accounts in the self-funded dental fund by \$76,056 and increase the claims and administration fee accounts by a combined total of \$39,251. The excess of additional revenues over additional expenses will close out to the self-funded dental insurance fund when the books are closed for 2013.
