Re: Notice of Claim:

Dear Ms. Ertmer:

On or about June 29, 2011, I was driving my car in a southerly direction on County Hwy M near North Loop Road. Evidently, county workers had been painting the centerline. As I entered a fairly sharp curve to the right, my left wheels ran onto and along the freshly new soupy yellow paint. My tires splashed up a great deal of yellow paint onto the left side of my car, under the car and in the wheel wells. There was no warning to motorists that the yellow paint was fresh.

I was able to scrub off the yellow paint from the side of my car by working several hours on it with an ammonia solution. The underside of the car and wheel wells will have to be repaired by a mechanic at a cost of \$550.22. I am enclosing pictures and an estimate of the repairs yet needed that I cannot do myself.

My claim against the County of Winnebago is \$550.22. Please inform me whether or not this claim will be allowed. Thank you for your consideration.
