

PUBLIC PARTICIPATION PLAN FOR THE 10-YEAR UPDATE OF THE MULTI-JURISDICTIONAL COMPREHENSIVE PLAN FOR WINNEBAGO COUNTY, WISCONSIN

INTRODUCTION

The Winnebago County Board of Supervisors adopted a countywide comprehensive plan on March 21, 2006, and now desires to work towards completing a 10-year update of that plan. To help ensure the updated plan reflects the needs of county residents and property owners, citizen input will be encouraged throughout the preparation, review, and adoption of the plan. This public participation plan forms the basic framework for achieving an interactive dialogue between local decision makers, county officials, and the citizens of Winnebago County.

OBJECTIVES FOR PUBLIC INVOLVEMENT

Public participation is intended to achieve the following objectives:

- The process engages people of all races, ethnic backgrounds, and income levels.
- The public has opportunities to provide input (both formally and informally) to the County.
- The public has access to technical information and analyses performed during the process.
- Members of the County Board of Supervisors have input from a broad range of perspectives and interests in the community.
- Public input is elicited through a variety of means (electronic, printed, and oral) in such a way that it may be carefully considered and responded to in a timely fashion.
- The process strengthens the sense of community and civic engagement.
- The process furthers the vision of having active and positive participation throughout the process by those most directly affected by County decision making.

RESPONSIBILITY FOR IMPLEMENTATION

Each of the following will share the responsibility for implementing the public participation activities described in this plan:

- Winnebago County Board of Supervisors
- Winnebago County Planning and Zoning Committee

PUBLIC PARTICIPATION GUIDELINES

- An agenda will be established that clearly defines the purpose of the meeting, the items to be discussed, and any actions that may be taken.
- The scheduled date, time, and place will be convenient to encourage participation by county residents.
- A clearly identifiable facilitator or chair will conduct the meeting in an orderly fashion to ensure that all attendees have an opportunity to offer comments, discuss issues, or provide testimony.
- The facilitator or chair will provide opening remarks outlining the purpose of the meeting, procedures attendees should use during the meeting when offering input, and how the input will be used.
- As appropriate, an overview of documents or proposals to be considered will be discussed.
- All persons attending the meeting that desire to participate should be allowed to do so. However, specific factors, such as the meeting or hearing purpose, number in attendance, time considerations, or future opportunities to participate, may require that appropriate constraints be applied. These constraints will be clearly outlined by the facilitator.
- Special arrangements will be made under the provisions of the Americans with Disabilities Act (ADA) with sufficient advance notice.

OPPORTUNITY FOR WRITTEN COMMENTS

- The project website will include the name, address, and email address (if applicable) of a person(s) to whom written comments should be sent, along with any deadlines for submitting comments.
- At public meetings or hearings, the facilitator or chair will clearly announce any deadline for submitting written comments, if such comments are allowed subsequent to the meeting or hearing.
- Persons speaking or testifying will be encouraged to concisely express their comments and if appropriate provide specific details in writing.

CONSIDERATION OF PUBLIC COMMENTS

- Decision makers may continue a public hearing for the purpose of addressing public comments, provided the time and date of the public hearing is announced at the time the public hearing is tabled.

-
- Substantive written comments relating to studies, analyses, or reports, along with appropriate responses, will be included in published documents if deemed appropriate.
