HISTORY OF WINNEBAGO COUNTY

WINNEBAGO COUNTY was established in 1840. With the convenience of water transportation, the area saw increasing numbers of explorers, traders, and settlers arriving to stake out property boundaries and establish a mode of life for the next two centuries. Among them were many from Germany, Holland, and other European countries who set the nationality and social heritage pattern of the area.

Before admission of Wisconsin to the Union, the County of Winnebago was created by separation from Brown County in 1840. The County was named for an Indian nation in the area whose land was purchased by the U.S. Government, which in turn opened the land to settlers. Abundant water, which provided access in the early days, is still a valuable asset. Winnebago County has an actual land area of 286,912 acres. Another 80,000 acres is occupied by streams, rivers and ten surveyed lakes. Lake Winnebago is the largest lake in Wisconsin and one of the largest in the nation contained in one state.

Winnebago and neighboring Fond du Lac, Calumet and Outagamie counties rank among the fourteen most highly urbanized counties in the state, with the most rapid economic and population growth in the past decade.

The county is bounded on the north by Outagamie and Waupaca counties, with most of the eastern boundary outlined by Lake Winnebago except for a small portion adjoining Calumet County. Fond du Lac County marks the southern limits, and the counties of Green Lake and Waushara define its western border. Oshkosh is the county seat and within the county's borders are the 15 towns of Algoma, Black Wolf, Clayton, Neenah, Nekimi, Nepeuskun, Omro, Oshkosh, Poygan, Rushford, Utica, Vinland, Winchester, Winneconne and Wolf River, the Village of Fox Crossing, the Village of Winneconne, the four cities of Menasha, Neenah, Omro and Oshkosh, and a small portion of the City of Appleton.

Oshkosh, located seven miles beyond the confluence of the Fox and Wolf Rivers, at the point of their entry into the lake, was an early center of the lumber industry. Rivers and lakes brought logs from Northern Wisconsin and for many years lumbering was the leading industry of the city. Enormous fortunes were made, serving as a background for the diversified industries that followed.

Neenah-Menasha, known as the Twin Cities, is in the northern part of the county on the north end of Lake Winnebago. It's in Neenah-Menasha that the Fox River flows out of Lake Winnebago. It was here that early centers for milling wheat and lumber were situated. Later, as manufacturing grew in importance and railroads replaced rivers and lakes as a means of transportation, Neenah-Menasha became important industrial centers with the paper industry leading the way.

In May 1843, the first county board meeting was held at the home of Webster Stanley, in the Town of Winnebago. The three supervisors of the Town of Winnebago and a clerk represented the total county population of 132. The supervisors voted to raise fifty dollars by taxes for county expenses.

The first county court house was erected in 1847 in the Village of Oshkosh and replaced by a larger structure in 1854. In 1938 the present building was erected at Jackson Street and Algoma Boulevard in the City of Oshkosh.

The current Winnebago County Board is made up of 36 county supervisors representing the county's 169,861 residents (2020 Estimated Census figures).

The remote option requires that the public have equivalent access to remote board member(s), that they would have had if said board member(s) was/were in physical attendance. The remote option must allow the chair to mute all remote attendees and must allow supervisors the ability to identify themselves wanting to speak during times that they have the privilege of speaking. Utilization of a remote option requires that the chair or vice-chair of the board or committee be physically present at a location that would be open to the public.

10.0 PRIVILEGE OF SPEAKING

10.1 Every member previous to speaking shall be recognized by the Chair. When two or more members desire to speak, the Chair shall designate the order of speaking.

10.2 No member shall speak more than twice on the same question without leave of the Board, except to answer questions from the Chair or the Floor. The Chair must enforce this rule when a violation is called to the attention of the Chair.

11.0 VOTING AND ROLL CALL

11.1 A vote on every question shall be taken by ayes, nays, or abstentions, and shall be recorded in the records of the proceedings.

11.2 A unanimous oral vote shall be considered and recorded as an affirmative unanimous roll call vote.

11.3 A tie vote on any question shall indicate that question is lost.

11.4 The Chair shall direct the County Clerk as to when a roll call vote is to be taken. After the Chair so directs the Clerk and the Clerk begins the roll call, no more debate shall be allowed on the question.

11.5 A voting error shall be brought to the attention of the Chair before a vote is called on the next item before the Board or no corrective action will be taken.

11.6 All votes cast shall be cast only if the Supervisor is present at his or her desk, unless the chair of the board or committee has designated that the use of a remote session is permitted. If a remote option is permitted, the supervisor(s) attending remotely must have a camera and microphone on and must be in the visible range of the camera and auditory range of the microphone.

12.0 MOTIONS

12.1 When a motion is under consideration, no other motion shall be entertained except:

- A. To adjourn.
- B. To lie on the table.
- C. For the previous question.
- D. To postpone to a day certain.
- E. To commit to a committee.
- F. To amend or to substitute.
- G. To postpone indefinitely.

These motions shall take precedence in the order in which they stand in this section.

12.2 A motion to adjourn, to lay on the table, and for the previous question shall be decided without debate.

12.3 A motion to postpone indefinitely or to a day certain or commit shall not again be entertained on the same day or in the same stage of the proposition.

12.4 A substitute shall be open to amendment the same as the original proposition.

12.5 If an amendment or substitute is lost, another substantially the same shall not be entertained.

12.6 The previous question (a motion to end debate) may be moved by any member present, or attending via remote option, for passage.

12.7 When a motion or question has once been determined, any member with the prevailing side if he or she was present and voted may move for reconsideration of the vote, but such motion shall be made and acted upon at the same or next succeeding adjourned (business) meeting and shall not thereafter be made except by unanimous vote.

12.8 A motion to reconsider a resolution which has been partially vetoed by the County Executive will be in order at the same meeting during which the County Board acts on the County Executive's partial veto.

13.0 SUSPENSION OF RULES

13.1 Any of the Rules may be suspended by two-thirds vote of the members present or attending remotely, except Rules Number 3.8, 7.5, 11.0-11.5, 12.7, 13.1 which are not suspendable.

14.0 ROBERT'S RULES

14.1 The rules of parliamentary practice included in the latest edition of "Robert's Rules of Order" so far as they remain in common use and are practicable and applicable and consistent herewith, shall govern the Board.

15.0 PUBLICATION OF REPORTS

15.1 Reports presented to the Board shall be kept on file by the County Clerk for reference purposes but not published in their entirety in the official proceedings unless so ordered by the Board by a majority vote.

16.0 QUORUM AND VOTE REQUIRED ON BUDGET TRANSFERS

16.1 Wisconsin Statutes, Sec. 59.02(3), gives the general rule requiring a majority of supervisors to be present in order to have a quorum for the transaction of business.

16.2 Under Wisconsin Statutes, Sec. 59.02(3), all questions before the Board are determined by a majority of the supervisors present unless otherwise provided.

16.3 Wisconsin Statutes, Sec. 65.90(5), has some additional requirements for changes in the budget after it has once been adopted. Changes in the amounts appropriated and changes in the purposes for which amounts are appropriated may not be made after adoption of the budget except by a two-thirds vote of the membership of the Board.

16.4 There is an exception, however, within this Statute, to-wit: The County Board hereby authorizes its standing Personnel & Finance Committee to transfer funds between items within a department or office if these items are separately appropriated, and further authorizes the Personnel & Finance Committee to supplement appropriations for a particular office, department or activity by a transfer from the Contingency Fund. Additional funding for unbudgeted funding requests for emergency purposes only, shall be made from the General Fund undesignated fund balance or in the case of a self-supporting proprietary fund, the funds would come from their own fund balance.

16.5 Personnel & Finance Committee transfers from the Contingency Fund shall not exceed the amount set up in the Contingency Fund as adopted in the annual budget, nor aggregate in the case of an individual office, department or activity in excess of 10 per cent of the funds originally provided for such office, department or activity in such annual budget. The publication provisions of Sec. 65.90 (5)(a) and (b), Wis. Stats., shall apply to all committee transfers from the Contingency Fund.

TOTAL FOR WINNEBAGO COUNTY	166,994	169,861

Approximately 134,905 of the estimated population for Winnebago County are of voting age. The County's voting age population is the summation of the voting age population for all communities within the county. This approximation is a courtesy estimate which helps you comply with Wisconsin Statute 5.66, which requires municipal clerks to approximate the number of electors prior to elections. The voting age population was calculated by applying the census proportion of persons over 18 to the preliminary January 1 estimate, and then multiplying the result by a state-wide factor to account for the general aging of the population.
