HISTORY OF WINNEBAGO COUNTY

WINNEBAGO COUNTY was established in 1840. With the convenience of water transportation, the area saw increasing numbers of explorers, traders, and settlers arriving to stake out property boundaries and establish a mode of life for the next two centuries. Among them were many from Germany, Holland, and other European countries who set the nationality and social heritage pattern of the area.

Before admission of Wisconsin to the Union, the County of Winnebago was created by separation from Brown County in 1840. The County was named for an Indian nation in the area whose land was purchased by the U.S. Government, which in turn opened the land to settlers. Abundant water, which provided access in the early days, is still a valuable asset. Winnebago County has an actual land area of 286,912 acres. Another 80,000 acres is occupied by streams, rivers and ten surveyed lakes. Lake Winnebago is the largest lake in Wisconsin and one of the largest in the nation contained in one state.

Winnebago and neighboring Fond du Lac, Calumet and Outagamie counties rank among the fourteen most highly urbanized counties in the state, with the most rapid economic and population growth in the past decade.

The county is bounded on the north by Outagamie and Waupaca counties, with most of the eastern boundary outlined by Lake Winnebago except for a small portion adjoining Calumet County. Fond du Lac County marks the southern limits, and the counties of Green Lake and Waushara define its western border. Oshkosh is the county seat and within the county's borders are the 15 towns of Algoma, Black Wolf, Clayton, Neenah, Nekimi, Nepeuskun, Omro, Oshkosh, Poygan, Rushford, Utica, Vinland, Winchester, Winneconne and Wolf River, the Village of Fox Crossing, the Village of Winneconne, the four cities of Menasha, Neenah, Omro and Oshkosh, and a small portion of the City of Appleton.

Oshkosh, located seven miles beyond the confluence of the Fox and Wolf Rivers, at the point of their entry into the lake, was an early center of the lumber industry. Rivers and lakes brought logs from Northern Wisconsin and for many years lumbering was the leading industry of the city. Enormous fortunes were made, serving as a background for the diversified industries that followed.

Neenah-Menasha, known as the "Twin Cities," is in the northern part of the county on the north end of Lake Winnebago. It's in Neenah-Menasha that the Fox River flows out of Lake Winnebago. It was here that early centers for milling wheat and lumber were situated. Later, as manufacturing grew in importance and railroads replaced rivers and lakes as a means of transportation, Neenah-Menasha became important industrial centers with the paper industry leading the way.

In May 1843, the first county board meeting was held at the home of Webster Stanley, in the Town of Winnebago. The three supervisors of the Town of Winnebago and a clerk represented the total county population of 132. The supervisors voted to raise fifty dollars by taxes for county expenses.

The first county courthouse was erected in 1847 in the Village of Oshkosh and replaced by a larger structure in 1854. In 1938 the present building was erected at Jackson Street and Algoma Boulevard in the City of Oshkosh.

The current Winnebago County Board is made up of 36 county supervisors representing the county's 172,369 residents (2023 estimated census figures).

12.3 A motion to postpone indefinitely or to a day certain or commit shall not again be entertained on the same day or in the same stage of the proposition.

12.4 A substitute shall be open to amendment the same as the original proposition.

12.5 If an amendment or substitute is lost, another substantially the same shall not be entertained.

12.6 The previous question (a motion to end debate) may be moved by any member present, or attending via remote option, for passage.

12.7 When a motion or question has once been determined, any member with the prevailing side if he or she was present and voted may move for reconsideration of the vote, but such motion shall be made and acted upon at the same or next succeeding adjourned (business) meeting and shall not thereafter be made except by unanimous vote.

Changes in the amounts appropriated and changes in the purposes for which amounts are appropriated may not be made after adoption of the budget except by a two-thirds vote of the membership of the Board.

16.4 There is an exception, however, within this Statute, to-wit: The County Board hereby authorizes its standing Personnel & Finance Committee to transfer funds between items within a department or office if these items are separately appropriated, and further authorizes the Personnel & Finance Committee to supplement appropriations for a particular office, department or activity by a transfer from the Contingency Fund. Additional funding for unbudgeted funding requests for emergency purposes only, shall be made from the General Fund undesignated fund balance or in the case of a self-supporting proprietary fund, the funds would come from their own fund balance.

16.5 Personnel & Finance Committee transfers from the Contingency Fund shall not exceed the amount set up in the Contingency Fund as adopted in the annual budget, nor aggregate in the case of an individual office, department or activity in excess of 10 per cent of the funds originally provided for such office, department or activity in such annual budget. Approximately 137,285 of the estimated population for Winnebago County are of voting age. The County's voting age population is the summation of the voting age population for all communities within the county. This approximation is a courtesy estimate which helps you comply with Wisconsin Statute 5.66, which requires municipal clerks to approximate the number of electors prior to elections. The voting age population was calculated by applying the census proportion of persons over 18 to the preliminary January 1 estimate, and then multiplying the result by a state-wide factor to account for the general aging of the population.
