Data is reported in percent of students who completed that question.

Data may not total 100% due to errors in marking, mismarked or blank scan sheets.

Other/ungraded are students who did not mark, mismarked or are ungraded and may be included in the reported data generally but not reported separately due to the small cell size.

Questions can be directed to: [jschoening@cesa6.org](mailto:jschoening@cesa6.org)
