**Winnebago County
Health Department**

Winnebago County Health Department Municipalities Weekly Data Summary

July 23, 2020

Summary

- Currently in Winnebago County the burden of confirmed COVID-19 cases is moderately high and the activity level is high.
- Case rates continue to increase in Winnebago County. Our past 2-week confirmed case rate is 93.3 cases per 100,000 population, an increase from the 69.3 per 100,000 population reported last week.
- Unusually high case rates, in part, due to small population sizes, were noted in the past two weeks from Town Wolf River (8 cases), Town of Winneconne (12 cases) and in City of Omro (9 cases).
- Disease investigation capacity is adequate. All confirmed cases are contacted within 24 hours of being communicated to the health department.
- Disease investigators report that the number of contacts per confirmed case has been increasing and many of the contacts are coming from gatherings including Fourth of July parties, cookouts, and camping.
- **Increased physical distancing and mask wearing are needed now to reduce case counts and decrease community spread. Keep your social circles small and avoid crowded indoor spaces.**

Background Information

This report provides data on the confirmed COVID-19 cases from July 8 - July 21, 2020 for municipalities located within the Winnebago County Health Department jurisdiction. Dates utilized for all graphs are based on test result date. Data may be underreported for recent days because results can take multiple days to be reported to the health department. As this is a weekly report for the past 14 days, there will always be a week of overlap between reports.

The COVID-19 data provided in this report is specific to the Winnebago County Health Department (WCHD) jurisdiction (population: 154,379). It does not include the portions of the City of Menasha or City of Appleton that fall within Winnebago County as those areas fall within the jurisdiction of the [City of Menasha Health Department](#) and [City of Appleton Health Department](#). Data provided on the [Department of Health Services website](#) may be different than the information provided by WCHD because the state reports data for the entire county, which includes those portions of Menasha and Appleton.

Confirmed Cases by Municipality for the Past Two Weeks (July 8- July 21)

Municipality	Confirmed Case Count for past 2 weeks	Case Rate (per 100,000)	Burden*	Population**
City of Oshkosh	45	67.0	Moderately High	67,201
City of Neenah	23	87.0	Moderately High	26,436
Village of Fox Crossing	26	136.2	High	19,084
City of Omro	9	252.4	<p><i>The populations in these municipalities are too small to provide burden status. Case rates fluctuate greatly with small population sizes. Interpret with caution, rely more on case counts and trend of case counts over time to estimate risks.</i></p> <p><i>Data is suppressed for municipalities with fewer than five confirmed cases in the past two weeks. See Case Rate by region graph on page 4.</i></p>	3,566
Town of Algoma	Less than 5 cases			6,908
Town of Black Wolf	0	0.0		2,452
Town of Clayton	Less than 5 cases			4,186
Town of Neenah	Less than 5 cases			3,619
Town of Nekimi	Less than 5 cases			1,427
Town of Nepeuskun	0	0.0		745
Town of Omro	Less than 5 cases			2,324
Town of Oshkosh	Less than 5 cases			2,479
Town of Poygan	0	0.0		1,324
Town of Rushford	0	0.0		1,603
Town of Utica	0	0.0		1,339
Town of Vinland	Less than 5 cases			1,746
Town of Winchester	Less than 5 cases			1,819
Town of Winneconne	12	494.0		2,429
Town of Wolf River	8	667.8		1,198
Village of Winneconne	0	0.0		2,494
Rural Regions***				
Central	23	212.7	High	10,813
Northeast	8	83.8	Moderately High	9,551
Southeast	9	67.8	Moderately High	13,266
West	10	124.6	High	8,028
Winnebago County Health Department Jurisdiction	144	93.3	Moderately High	154,379
Winnebago County	158	93	Moderately High	169,926
Wisconsin	11694	200	High	

*Burden is based off of the case rate per 100,000 people in the past two weeks. See table on page 3 for more information on Burden Status for our county. Visit the DHS website for more information on this indicator at the state level

<https://www.dhs.wisconsin.gov/covid-19/local.htm>

**Population for municipality was retrieved from https://doa.wi.gov/DIR/Final_Ests_Muni_2019.pdf. Winnebago County Health Department Jurisdiction does not include the portions of the City of Menasha and the City of Appleton that fall within Winnebago County but report to their own health departments.

***Due to population size, the smaller municipalities were grouped together into the following rural regions:

- West: Towns of Nepeuskun, Poygan, Rushford, Utica, Winchester, and Wolf River
- Northeast: Towns of Clayton, Neenah, and Vinland
- Southeast: Towns of Algoma, Black Wolf, Nekimi, and Oshkosh
- Central: City of Omro, Towns of Omro & Winneconne, and Village of Winneconne

Number of Confirmed Cases and Rate per 100,000 People for Select Municipalities in the Past Two Weeks (July 8- July 21)

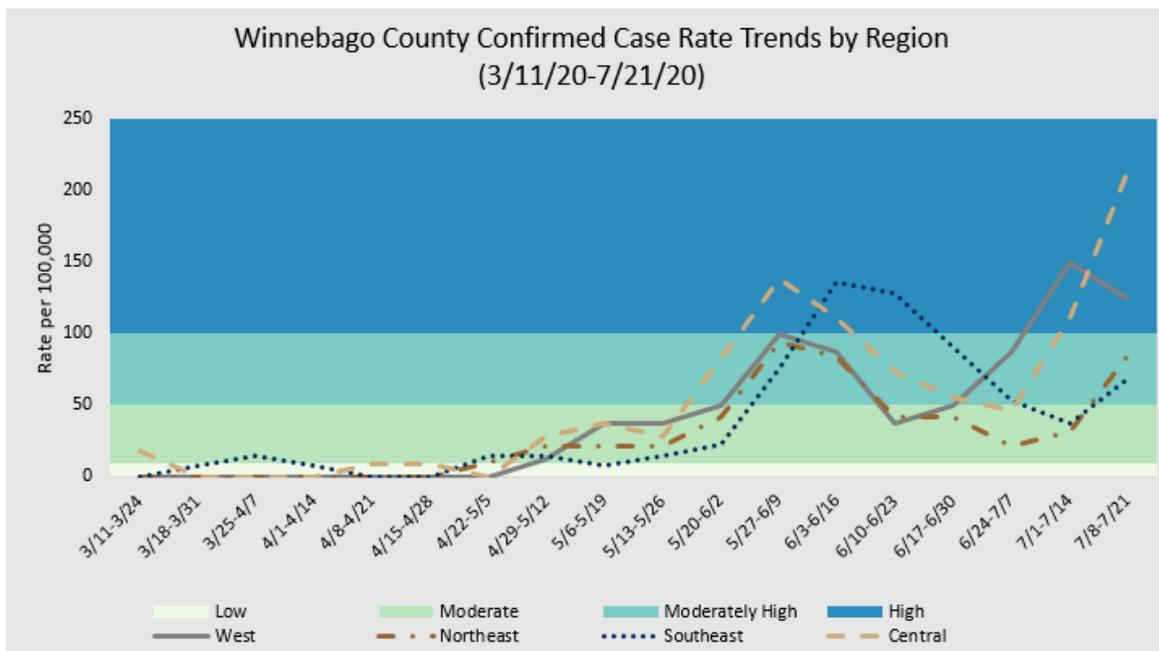

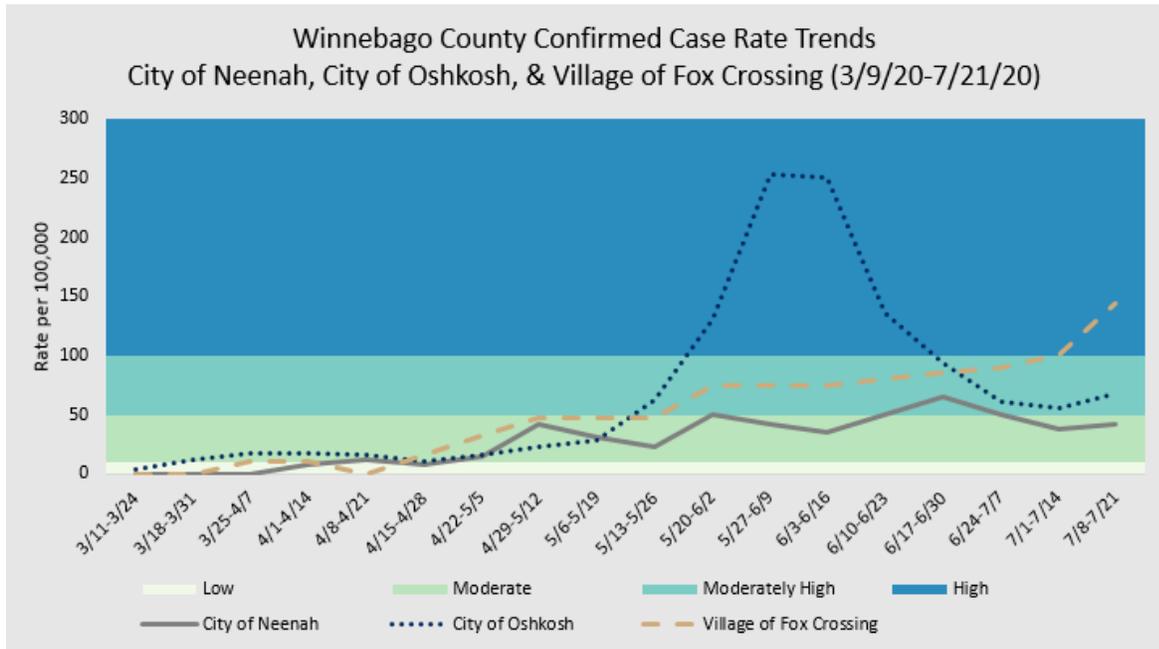

Age Group	City of Neenah			City of Oshkosh			Village of Fox Crossing		
	Number of cases	Rate per 100,000	Pop.	Number of cases	Rate per 100,000	Pop.	Number of cases	Rate per 100,000	Pop.
<10	0	0.0	3453	1	14.7	6812	2	106.7	1874
10-19	4	119.5	3347	6	71.7	8369	1	42.0	2379
20-29	4	124.5	3214	14	94.1	14878	7	248.4	2818
30-39	3	87.2	3439	7	78.8	8882	7	268.1	2611
40-49	7	207.7	3371	8	106.8	7491	2	112.0	1785
50-59	2	51.9	3850	4	48.7	8206	2	59.1	3385
60-69	1	36.5	2739	2	35.3	5658	2	95.6	2091
70-79	2	129.3	1547	2	62.3	3209	1	81.5	1227
80+	0	0.0	926	1	32.2	3105	2	323.6	618

Burden Status	Case Rate per 100,000 residents in the past two weeks	City of Neenah	City of Oshkosh	Village of Fox Crossing
Low	Case rate is less than or equal to 10.	Less than 3 cases.	Less than 7 case.	Less than 2 cases.
Moderate	Case rate is greater than 10, but less than or equal to 50.	Greater than 3 cases, but less than or equal to 13 cases.	Greater than 7 case, but less than or equal to 33 cases.	Greater than 2 cases, but less than or equal to 9 cases.
Moderately High	Case rate is greater than 50, but less than or equal to 100.	Greater than 13 cases, but less than or equal to 26 cases.	Greater than 33 cases, but less than or equal to 67 cases.	Greater than 9 cases, but less than or equal to 19 cases.
High	Case rate is greater than 100.	Greater than 26 cases.	Greater than 67 cases.	Greater than 19 cases.

Case rate is determined by number of new confirmed cases during the past two weeks, divided by population in the municipality, multiplied by 100,000. Rates can fluctuate greatly with small population sizes making it difficult to call out high rates. Burden Status will only be provided for City of Neenah, City of Oshkosh, and Village of Fox Crossing due to population size. Number of cases for each Burden Status refers to the number of confirmed cases during a two-week time span.

Confirmed Case Rate Trends by Municipality

The graphs below show confirmed case rate per 100,000 people by municipalities. These case rates are based on confirmed case counts during a two-week time span.

Due to population size, the smaller municipalities were grouped together into the following groups:

- West: Towns of Nepeuskun, Poygan, Rushford, Utica, Winchester, and Wolf River
- Northeast: Towns of Clayton, Neenah, and Vinland
- Southeast: Towns of Algoma, Black Wolf, Nekimi, and Oshkosh
- Central: City of Omro, Towns of Omro & Winneconne, and Village of Winneconne

Active Cases and Total Number of Confirmed Cases By Municipality (3/11/20-7/21/20)

Municipality	Active Cases		Total Cases
	Number of Active Cases	Percent	Total Number of Confirmed Cases
City of Oshkosh	39	9%	431
City of Neenah	21	24%	87
Village of Fox Crossing	17	16%	106
City of Omro	9	35%	26
Town of Algoma	6	21%	29
Town of Black Wolf	0	0%	5
Town of Clayton	Between 1 and 4		12
Town of Neenah	Between 1 and 4		8
Town of Nekimi	0	0%	8
Town of Nepeuskun	0		Between 1 and 4 cases
Town of Omro	Between 1 and 4		13
Town of Oshkosh	Between 1 and 4		7
Town of Poygan	0		Between 1 and 4 cases
Town of Rushford	0		Between 1 and 4 cases
Town of Utica	0		Between 1 and 4 cases
Town of Vinland	0	0%	7
Town of Winchester	Between 1 and 4		8
Town of Winneconne	9	60%	15
Town of Wolf River	7	47%	15
Village of Winneconne	0	0%	6
Rural Regions			
Central	20	33%	60
Northeast	6	22%	27
Southeast	10	20%	49
West	10	31%	32
Winnebago County Health Department Jurisdiction	123	16%	792
Wisconsin	9,369	21%	44,135

■ - Data is suppressed for municipalities with fewer than five active confirmed cases or cumulative confirmed cases.
