

Winnebago County Health Department Municipalities Weekly Data Summary

July 30, 2020

Summary

- Currently in Winnebago County the burden of confirmed COVID-19 cases is moderately high and the activity level is high.
- Case rates continue to increase in Winnebago County. Our past 2-week confirmed case rate is 97.2 cases per 100,000 population, a slight increase from the 93.3 per 100,000 population reported last week.
- Unusually high case rates, in part, due to small population sizes, were noted in the past two
 weeks from Town Wolf River (5 cases), Town of Winneconne (7 cases), and Town of Clayton (8
 cases).
- Disease investigation capacity is adequate. All confirmed cases are reached out to within 24 hours of being communicated to the health department.
- Disease investigators report that there has been an uptick in the older population testing positive and that more people are becoming ill enough to need medical intervention.
- Increased physical distancing and mask wearing are needed now to reduce case counts and decrease community spread. Keep your social circles small and avoid crowded indoor spaces.

Background Information

This report provides data on the confirmed COVID-19 cases from July 15 - July 28, 2020 for municipalities located within the Winnebago County Health Department jurisdiction. Dates utilized for all graphs are based on test result date. Data may be underreported for recent days because results can take multiple days to be reported to the health department. As this is a weekly report for the past 14 days, there will always be a week of overlap between reports.

The COVID-19 data provided in this report is specific to the Winnebago County Health Department (WCHD) jurisdiction (population: 154,379). It does not include the portions of the City of Menasha or City of Appleton that fall within Winnebago County as those areas fall within the jurisdiction of the <u>City of Menasha Health Department</u> and <u>City of Appleton Health Department</u>. Data provided on the <u>Department of Health Services website</u> may be different than the information provided by WCHD because the state reports data for the entire county, which includes those portions of Menasha and Appleton.

| Burden Status | Case Rate per 100,000 residents in the past two weeks | City of Neenah | City of Oshkosh | Village of Fox Crossing |
|--------------------|---|--|--|---|
| Low | Case rate is less than or equal to 10. | Less than 3 cases. | Less than 7 case. | Less than 2 cases. |
| Moderate | Case rate is greater than 10, but less than or equal to 50. | Greater than 3 cases, but less than or equal to 13 cases. | Greater than 7 case, but less than or equal to 33 cases. | Greater than 2 cases, but less than or equal to 9 cases. |
| Moderately High | Case rate is greater than 50, but less than or equal to 100. | Greater than 13 cases, but less than or equal to 26 cases. | Greater than 33 cases, but less than or equal to 67 cases. | Greater than 9 cases, but less than or equal to 19 cases. |
| High | Case rate is greater than 100. | Greater than 26 cases. | Greater than 67 cases. | Greater than 19 cases. |

Case rate is determined by number of new confirmed cases during the past two weeks, divided by population in the municipality, multiplied by 100,000. Rates can fluctuate greatly with small population sizes making it difficult to call out high rates. Burden Status will only be provided for City of Neenah, City of Oshkosh, and Village of Fox Crossing due to population size. Number of cases for each Burden Status refers to the number of confirmed cases during a two-week time span.

Confirmed Case Rate Trends by Municipality

The graphs below show confirmed case rate per 100,000 people by municipalities. These case rates are based on confirmed case counts during a two-week time span.

Due to population size, the smaller municipalities were grouped together into the following groups:

- West: Towns of Nepeuskun, Poygan, Rushford, Utica, Winchester, and Wolf River
- Northeast: Towns of Clayton, Neenah, and Vinland
- Southeast: Towns of Algoma, Black Wolf, Nekimi, and Oshkosh
- Central: City of Omro, Towns of Omro & Winneconne, and Village of Winneconne
