

Parent Resource Hours

Public Health
Prevent. Promote. Protect.
Winnebago County, WI

Have kids? Have questions? We're here to help!

Developmental Screenings: Our staff can help with childhood screenings that look at milestones in playing, speaking, behaving, and moving.

Lead Screening: Learn how to prevent lead poisoning and get your child screened for lead exposure.

Nursing Expertise: Our nurses can support you to give your baby the highest level of care!

Immunizations: Protect your child with routine vaccines from public health.

Breastfeeding: Get one-on-one support with our lactation specialist.

Car Seat Checks: Learn the correct way to install a car seat and keep your child safe.

Safe Sleep: Learn how to create a safe sleep environment for your child.

Health and Community Resources: Learn about programs like prenatal health care, WIC, and Head Start.
