

Chapter 13

Livestock Waste Management Ordinance

Permit Fee Schedule

Livestock Facility Construction and/or Alteration / Erosion Control Permit (less than 0.2 animal units): \$100.00

Livestock Facility Construction and/or Alteration / Erosion Control Permit (more than 0.2 animal units): \$300.00

Livestock Facility Construction and/or Alteration / Erosion Control Permit when LWCD provides project design and/or construction oversight \$500.00

Livestock Waste Storage and/or Transfer Facility Construction and/or Alteration and Erosion Control Permit:

Up to 2,000,000 gallon capacity: \$500.00

2,000,001 to 4,000,000 gallon capacity: \$750.00

Over 4,000,000 gallon capacity: \$1,000.00

Livestock Waste Storage and/or Transfer Facility Abandonment/Closure and Erosion Control Permit: \$500.00

Permit Renewal Fee: \$100.00

Note: Required fees will be added together to determine the permit cost when multiple structures are being constructed, altered or abandoned.

Example: New livestock facility with no LWCD design or construction involvement with a 1,500,000-gallon livestock waste storage/transfer facility would be \$300 + \$500 = \$800.

Note: Per Chapter 13.11(2) The initial fee for a permit issued “after the fact” shall be doubled. Fees for all after the fact permit applications shall be doubled. except for livestock facilities created more than 5 years previous to the date of identification. Livestock facilities created more than 5 years previous, will only be charged the permit fee.

Note: Permits are valid for two years from the date of issuance.

Effective date: 11/20/2024
