COVID-19 VACCINE CLINIC AT OSHKOSH SENIOR CENTER

OSHKOSH, WIS. (January 13, 2023) – The Winnebago County Health Department will be offering a COVID-19 vaccine clinic at the Oshkosh Senior Center South Building (200 N Campbell Rd, Oshkosh) on the following Wednesdays: January 18, 25 & February 1 from 9:00 a.m. to 12:00 p.m. The Pfizer vaccine and updated Pfizer bivalent booster will be available to anyone 6 months and older.

Individuals over the age of 65 or those who are immunocompromised are strongly encouraged to stay up to date with their COVID-19 vaccines. In addition to the primary vaccine series, receiving the updated bivalent booster reduces the risk of becoming seriously ill, being hospitalized, or dying from COVID-19. The updated bivalent booster targets the original virus that causes COVID-19 and the Omicron variants BA.4 and BA.5.

Along with the Senior Center vaccine clinics, you can find the Pfizer primary vaccine series and Pfizer bivalent booster at the following local clinics:
- Oshkosh Public Library
  - 106 Washington Ave, Oshkosh
  - Tuesdays in January, 9 a.m. to 12 p.m.
- Fox Crossing Fire Department
  - 1326 Cold Spring Road, Neenah
  - Every Tuesday, 3 to 5 p.m.
- Sunnyview Expo Center
  - 500 E County Road Y, Oshkosh
  - Every Wednesday, 3 to 6 p.m.

To find additional vaccine locations please visit wcvaccine.org or call 920-232-3026. The COVID-19 vaccine is free and insurance is not needed to receive it.

For questions about COVID-19, contact the Winnebago County Health Department's Public Health Hotline at 920-232-3026 or visit winnebagopublichealth.org.
