Winnebago County is one of the smallest in area; it rates 62nd in size among the State's 71 counties. It is located in east central Wisconsin; it has a moderate climate with a 95-100 day relative maturity crop growing season. This compares to 115 days for northern Illinois and 80 days for northern Wisconsin. Based on a geographical survey, more lake and river waters are within and adjoin the county, and the topography is more level than in any other county in Wisconsin. Soils are of glacial formation, high in lime; red and silty clay loams (dark) are most common. Light soils, sandy loam, prevail in two townships to the northwest.

The county is becoming more urbanized especially in townships near Oshkosh, Neenah and Menasha, as well as near Omro and Winneconne. Facilities are most adequate for churches, parochial and public school education through college. Recreation in rural as well as urban centers are universally used by all people.

CLARENCE WESTFAHL
4H Club Agent

Farms are fewer, but larger than a decade ago. The last census shows 1817 farms averaging 130 acres each. Dairying is the main agricultural enterprise; 1392 farms have dairy cattle with an average of 21 milk cows. Farms depending upon dairy as their major income would average close to 40 cows. Over 40 per cent of the cattle are tested for milk and butter-fat production, the highest percentage of any county in Wisconsin. Milk production is also highest, over 8500 lbs. per cow, based on records of the Department of Agriculture.

Other sources of farm income are swine, poultry, beef, honey and cash crops, including sweet corn, peas, fruits, and vegetables. About a fourth of the rural men and women, farm and non-farm, work part time in city business, or industry.

Practically every community has a new or improved school. Vocational agriculture and homemaking are taught in local high schools. There are 4-H and Extension homemaker clubs in each community. Most recent reports show 1019 4-H members in 36 clubs led by 249 adult and 120 junior leaders; 875 homemakers are members of 57 clubs, and these groups are distributed in the rural farm communities as well as in suburban and urban communities. Special interest groups are members of general agricultural organizations as well as marketing and livestock groups.

Farmers have access to various governmental agencies. The County Extension Service is headquartered in the county courthouse, Oshkosh. Two of its agents work primarily in the field of agriculture. There is a 4-H club agent, and the two women agents devote their services to adult homemakers, 4-H members, and young married women. The office of the Soil Conservation Service adjoins that of Extension. There are 450 farms which now have soil erosion control farm plans made possible through the soil conservationist and his assistant. The soil conservation practices include, for example, stripcropping, terracing, and grass waterways, while farms with more level land have used technical services for tiling and shallow ditching. The Agricultural Stabilization and Conservation office is located in the county seat town.

Several daily and weekly newspapers, two local radio stations, and several outlying television stations provide excellent mass media communications. Much of the adult education, responsibilities of the Extension service is done by these media. Every farm has a telephone. All 16 townships have organized fire protection. Roads of the county, even township roads, are practically all hard surfaced. A super highway runs the length of the county. Regular airline services from the county airport, plus bus and railroad, make easy contact with destinations in other states. Both summer and winter recreation is highlighted on lakes and rivers with boating and fishing in the summer, and ice fishing is a most popular winter sport.

More detailed statistics on Winnebago County agriculture are available in a booklet, "Wisconsin Rural Resources, Winnebago Count." Copies are available in the County Extension Office, Courthouse, Oshkosh.

GEO. FRAMBERGER
Soil Conservation

Soil Conservation is involved in the rapid changes in Agriculture in Winnebago County the same as elsewhere in the nation.

Local farmers are applying conservation practices in larger amounts than at any time since Winnebago County was made a Soil Conservation District in 1947. The United States Soil Conservation Service provides personnel for technical services to cooperating farmers. It is the job of the technician to help the land-owner decide what practices are needed for protection and improvement of his land. A record of these decisions with soils information and aerial photographs of the land are prepared and incorporated into a Conservation Farm Plan.

Practices for the farm might include contour strip cropping, construction of grassed waterways, terrace building, installation of tile drainage systems, ditches, and pond construction. Pasture improvement, woodland improvement and tree planting and wild life area improvement are all practices which are made a part of the conservation plan.

During the past 10 years, over 1,000 acres of contour strip crops, 325 miles of grassed waterways, 165 miles of tiled drains and 200 acres of wild life area improvements, and over 80,000 acres of conservation cropping systems established.

The local office is located in the Courthouse at Oshkosh.

HON. HELMUTH ARPS
Circuit Judge

The Circuit Court of Winnebago County together with the Circuit Court of Calumet County comprise the Third Judicial Circuit of Wisconsin. The presiding judge of this circuit since January 5, 1948 has been Hon. Helmuth F. Arps of Chilton, Wisconsin.

Circuit Courts are by the Wisconsin Constitution given original jurisdiction in all matters civil or criminal within this state, and appellate jurisdiction from all inferior courts and a supervisory control over the same.

The Legislature, however, has power to vest some of the original jurisdiction of the Circuit Courts in inferior courts, such as the County Courts and Municipal Courts, and has so vested such jurisdiction in many civil and criminal matters in the County Court and in the Municipal Court of Winnebago County.

Most of the civil cases requiring jury determinations are tried in the Circuit Court. Appeals from convictions for violations of City or County Ordinances by the Municipal Court, as well as appeals from convictions for minor crimes by the Municipal Court, are, likewise,

taken to the Circuit Court.

Most of the civil cases requiring jury determinations are tried in the Circuit Court. Appeals from convictions for violations of City or County Ordinances by the Municipal Court, as well as appeals from convictions for minor crimes by the Municipal Court, are, likewise, taken to the Circuit Court.

All appeals from the orders or judgments of the Circuit Court are taken directly to the Supreme Court of Wisconsin.

The County Court of Winnebago County has as its principal function the probating of estates which is the distribution of the property of a person after his death.

In addition thereto the County Court has exclusive jurisdiction over adoptions, guardianships, mental commitments, tuberculosis admissions, and Wisconsin General Hospital admissions.

It also has concurrent jurisdiction with the Circuit Court in divorce matters. The civil jurisdiction of the County Court is limited to \$20,000.00.

The Judge of the County Court is elected by the voters of Winnebago County for a term of six years.

Under the provisions of the Court Re-organization Act this Court shall, after January 1, 1962, be known as Branch No. 1 of the County Court of Winnebago County. The jurisdiction at that time will remain practically the same as it is at present.

HON. HERBERT MUELLER
County Judge

HON. ARNOLD CANE
Municipal Judge

The Municipal Court for the City of Oshkosh and County of Winnebago was established by an act of the Wisconsin Legislature in 1895. It is a court consisting of two branches, the so-called lower branch or justice court branch, which has jurisdiction similar to that of a Justice of the Peace, and the upper branch or record branch which has jurisdiction similar to that of a Circuit Court. It has exclusive jurisdiction over ordinance violations for the City of Oshkosh and Winnebago County, and exclusive criminal court jurisdiction concurrent with that of the Circuit Court in all matters except treason.

In addition to the duties as judge of the Municipal Court, for many years the judge of this court has also been the judge of the Juvenile Court handling matters relating to children under the age of 18 years.

Since this court is a special court, it will be automatically eliminated along with all other special courts under the court reorganization law enacted by the Wisconsin Legislature in 1959, effective January 1, 1962. Thereafter, the work of this court will be transferred to a new court to be known as Branch 2 of the Winnebago County Court.

The present judge of this court is Arnold J. Cane who succeeded the late Judge S. J. Luchsinger on the latter's death in July, 1960. Bert F. Nonweiler is clerk; Marian De Young, deputy clerk; Jack O. Erkill, reporter; Fred O. Bronsdon, bailiff; and Victoria Zinth, stenographer.

FRANK LUEDEKE
County Treasurer

The duties of the County Treasurer's Office are in general prescribed by Wisconsin Statutes and County Board ordinances and resolutions. Specifically he is charged with receiving and disbursing all monies belonging to the County; settlement with Town and City Treasurers for tax collections; collection of delinquent taxes; preparation of field books, assessment and tax rolls and tax bills for cities of Omro, Oshkosh, Village of Winneconne and the sixteen townships. By virtue of his office he automatically becomes the agent for the State and is responsible for receiving and remitting the state's portion of real estate, inheritance and other taxation items as well as court fees and costs.

Collection of delinquent real estate tax is an important function of the office. Delinquent taxes are subject to interest rate of 8/10ths of 1% per month from January 1st of year tax was due, as set by state statute, a total of 9.6% per year.

When real estate taxes are delinquent for three years from the sale date, which is always in October of year the tax is uncollected, the property becomes subject to tax title deed. Should the county acquire property by tax deed, the resale is then channeled through the treasurer's office.

Investment of surplus money is entrusted to the Treasurer by the County Finance Committee. Watchfulness, discretion, with periodical discussions with the Committee, is important and financially advantageous to the County.

In the preparation of field books, assessment rolls, etc., it is necessary to have changes of ownership and split in property up to date. These changes are made in this department by the Tax Description Supervisor, Carl Mailahn.

The employees under the Treasurer's supervision in addition to Mr. Mailahn are: Mrs. Lucile Clarke, Deputy Treasurer; Mrs. Mary Baerwald, Stenographer and Account Clerk; Linden Reif, Tract Index Recorder and Matthew Nebl, Assistant to Tax Description Supervisor.

The Clerk must number and file all court actions for both Circuit and County Court, notary public appointments, approve the bond for a notary public, administer oaths to deputy sheriff, file warrants and satisfactions of state delinquent income tax, mechanic liens, transcripts of judgments, issue transcripts of judgments and executions. During court the Clerk draws juries, administers oaths to witnesses and jurors and keeps minutes of all court proceedings, receives payments of alimony and support and disburses same on court orders. Aliens apply for naturalization through this office.

The jurors for the Circuit Court are supplied by the Jury Commissioners. The Jury Commissioners are George A. Bauman for the City of Oshkosh, Frank O. Heckrodt for the Cities of Neenah and Menasha and Towns of Neenah and Menasha and J. F. Shea for the other townships. At the request of the Clerk of Courts, the Jury Commissioners supply the names to be placed in the master cylinder. The calendar for the Circuit Court of Winnebago County has three terms starting the second Monday in January, the second Monday in May and the second Monday in September. About two weeks before the start of each calendar the Clerk of Courts requests the Jury Commissioners to be present at the drawing of the jury for the following term. At this time, the Clerk draws from the master cylinder 36 names for petit jurors and 18 names for the reserve panel of jurors.

ALBERT OSMUS
Veterans Service Officer

The Veterans' Service Office has been in operation in Winnebago County since January 1, 1936. Winnebago County has approximately 12,000 veterans of all wars. Many letters of correspondence on veterans' affairs as well as many types of forms are filed through this office each year. The office handles all veterans' claims residing in the county who were engaged in the service of the United States Armed Forces relative to any type of problem arising out of military service, and also render the veteran and his dependents all possible assistance.

We also have a Veterans' Service Commission which consists of four veterans who are appointed by the Judge. This commission gives local aid to the needy veterans and their dependents.

The various types of benefits that the Service Office files for are as follows: Government Life Insurance, veteran's non-service connected pension, service-connected compensation, education, widow's and children's pension, burial allowance, headstone applications, rehabilitation loans, grants, and state housing loans.

The Oshkosh Office is open five days per week from 8-12 A.M. and from 1-5 P.M. The Branch Office is open from 1-5 P.M. Monday through Friday, and is located at 514 North Commercial Street, Neenah, Wisconsin.

The office of Register in Probate for the County Court of Winnebago County has under its charge the keeping of all records and papers in reference to probate, adoption and guardianship matters, mental and inebriacy commitments, tubercular and Wisconsin General admissions.

Certain probate and guardianship papers are microfilmed daily. All papers in probate and guardianship matters are listed in the Court Record and the papers placed in packages. All claims in estates and guardianships are placed in the Claim Book.

Letters to guardians are mailed and yearly guardians accounts when received are checked, entered and filed.

Special marriage licenses are issued out of this office after approval of the Judge.

Testimony is taken and transcribed by the reporter in this office on commitments and admissions, and testimony is taken in default divorce actions, as well as in all contested matters.

This office initiated the microfilming of old records, due to lack of space to file such papers. This work was begun on April 1, 1960.

The personnel in the office consists of the Register in Probate and two deputies. The Judge upon assuming his duties after each election appoints the Register in Probate to the office.

Established Sept. 1, 1861

OUR 100th YEAR

Founded during the administration of Abraham Lincoln, The First National Bank of Neenah enters its One Hundredth Year with a deep sense of pride and satisfaction in our long history which stretches back to the Civil War. During this time we have served our city and our country without interruption and with never a faltering in the confidence and esteem of those served.

THE AMERICAN'S CREED

I BELIEVE IN THE UNITED STATES OF AMERICA AS A GOVERNMENT OF THE PEOPLE, BY THE PEOPLE, FOR THE PEOPLE; WHOSE JUST POWERS ARE DERIVED FROM THE CONSENT OF THE GOVERNED; A DEMOCRACY IN A REPUBLIC; A SOVEREIGN NATION OF MANY SOVEREIGN STATES; A PERFECT UNION, ONE AND INSEPARABLE; ESTABLISHED UPON THOSE PRINCIPLES OF FREEDOM, EQUALITY, JUSTICE AND HUMANITY FOR WHICH AMERICAN PATRIOTS SACRIFICED THEIR LIVES AND FORTUNES.

I THEREFORE BELIEVE IT IS MY DUTY TO MY COUNTRY TO LOVE IT; TO SUPPORT ITS CONSTITUTION; TO OBEY ITS LAWS; TO RESPECT ITS FLAG; AND TO DEFEND IT AGAINST ALL ENEMIES.
