#### **GENERAL INFORMATION**

NOTICE: This book is published as a guide to the community. All data herein was gathered from the Official Public Records at the Courthouse and elsewhere. Due to continual sales and transfers of property it is impossible to guarantee 100% accuracy. The contents of this book are not intended for any legal use in sales, trades ar transfers of land.

The Index Map above shows the various townships in the county as they are located geographically. Numerals on each tawnship indicate the page number that particular map will appear in

Turn to the INDEX TO OWNERS in the back of the book. The Index to Owners shows alphabetically, every land owner in the county whose name appears on the township maps. To find a land owner, look up his name in the alphabetical index, which will show the section and page number of his land.
