### WISCONSIN FOREST CROP LAND/MANAGED FOREST LAND

Ownership and participation of privately owned lands designated FCL (Forest Crop Land) or MFL (Managed Forest Land) are dynamic. It is recommended potential users of these lands contact the landowner or the Department of Natural Resources as to the current status and use of these lands. Wisconsin Statute 77 details the allowable uses and access.

Forest Crop Lands

Parcels of land which are designated FCL (Forest Crop Land) may be open to the public for hunting and fishing. Landowners may prohibit other activities in accordance with Wisconsin Statute 77.01 and Administrative Code NR 46.

**Managed Forest Lands** 

Parcels of land which are designated MFL (Managed Forest Land) may or may not be open for public access. Public access is limited to hunting, fishing, hiking, sight-seeing and cross-country skiing. Motor vehicles and snowmobiles may be prohibited access by the landowner. Access may be restricted within 300 feet of any building or commercial logging operation in accordance with Wisconsin Statute 77.83 (2) (a) and (2) (b).
