LANDOWNERS & SNOWMOBILERS
 A Unique Partnership

Wisconsin snowmobilers are proud of the statewide trail system that ranks among the best in the nation. This trail system would not be possible without the generosity of thousands of landowners across the state, which includes hundreds of landowners right here in Winnebago County.

Snowmobile club members work closely with landowners in the placement of the trails. This cooperation results in the promotion of safe, responsible snowmobiling, and that benefits everyone.

Under Wisconsin State Law, Sections 350.19 and 895.52, landowners are not liable for injury on their property when they have granted permission for snowmobiling.

Help keep landowners happy and our trails open for future use:

- Stay off trails until they are open.
- Only travel on marked trails.
- Do not cut corners.
- If you leave the marked trail, you are trespassing.
