

Childhood & Adolescent Vaccines

The Winnebago County Health Department will be offering free childhood vaccination clinics by appointment. All childhood vaccinations will be available to children of any age, along with the COVID-19 vaccine for children 12 years and older.

**ELIGIBLE FAMILIES CAN CALL
920-232-3000
TO SCHEDULE AN
APPOINTMENT**

Eligibility for children to receive vaccines at the health department includes:

- No Insurance
- Underinsured (a child who has health insurance, but the coverage does not include all vaccines)
- Medical Assistance (includes BadgerCare)
- Native American or Native Alaskan
