The following must be included on your site plan:

- All existing structures
- All proposed structures
- All setbacks
- Drainage arrows
- Proposed measures for erosion control
  - silt fence
  - silt sock
  - vegetative buffer – 25ft minimum
- Placement of the above items for erosion control

You may use the same site plan when submitting applications for both a zoning and an erosion control permit provided they indicate the following:

- All existing structures
- All proposed structures
- All setbacks
- All dimensions
- Drainage arrows
- Erosion control (what/where)

You can print a GIS map of your property at the following link:
