## Sons of the American Legion Squadron 70 Tribute to Vietnam Veterans

Sons of the American Legion Squadron 70 will host the Tribute to Vietnam Veterans October 9 – 13, 2024 at the Sunnyview Expo Center. The Tribute to Vietnam Veterans features the “Traveling Wall” from American Veterans Traveling Tribute. The Traveling Wall is an 80% replica of the Vietnam Wall located in Washington DC. The replica measures 8 feet tall at the apex and is 360 feet long. The wall honors U.S. service members of the U.S. armed forces who fought in the Vietnam War, service members who died in service in Vietnam/South East Asia, and those service members who were unaccounted for (Missing in Action) during the War. This year there will also be a special visit by a Vietnam era Huey helicopter. The Huey will provide an aerial escort as the Memorial arrives in Oshkosh and travels to Sunnyview and will be on display during the event as well.

The Sons of the American Legion Squadron 70 is asking for your help to pay respects to our fallen service members. Those who gave their lives in service during the Vietnam War paid the ultimate price. While we cannot match the price they paid, we can do our best to ensure they are never forgotten! With your financial contributions, we can welcome them home and honor them the way they should have been all those years ago!

Please feel free to contact me with any questions.

Sincerely,

Rick Helms
