

MILITARY VETERANS

The Winnebago County Veterans Services Office will be back at the Omro Area Community Center on July 12th from 8:00 a.m. to 4:00 p.m.

This time they are bringing along some friends!

Joining the Veterans Services Office will be representatives from the agencies listed below. They will be along to provide information and answer questions about the programs and services they have available to veterans and surviving spouses.

CaptionCall - The CaptionCall captioned telephone is designed to let you hear and read what the other person is saying, so you can better understand the conversation. The phone and service are exclusively for people with hearing loss who need captions to use the phone. CaptionCall is part of a federally funded program to benefit people with hearing loss. This fund pays the total cost of service for qualified users.

DWD - Veteran Employment Services - The Department of Workforce Development (DWD), is committed to advancing employment opportunities for Wisconsin veterans through targeted business engagement and service and commitment to the veteran community.

ADRC - The mission of the Aging and Disability Resource Center (ADRC) of Winnebago County is to empower and support seniors, people with disabilities and their families, by providing useful information and finding the help people seek so they may live with dignity and security, and achieve maximum independence and quality of life.

VHA - The Veterans Health Administration provides primary care, specialized care, and related medical and social support services to American veterans.
