# Agenda

## Starting at Noon

- Lyden Rasmussen will talk about his farm and why he chose rotational grazing.
- Randy Cutler of Cutler Fence will do installation demos of fencing and water pipelines.
- Mike Haase of the Winnebago LWCD will discuss trails, pathways and crossings.
- Adam Abel of NRCS will do a demonstration of moving cattle, have an economics of grazing presentation, and will show off the rainfall simulator in a demo.
- Darrell McCauley of UWEX will have a discussion on the importance of organic matter.
- Merrie Schamberger of NRCS will give a cost sharing update.
