LIFEPOINT

A FREE NEEDLE EXCHANGE PROGRAM

Facts

- There are 228 needle service programs in the United States
- Needle exchange programs reduce the transmission of blood-borne disease such as Hepatitis and HIV
- Needle exchange programs do not increase drug use or drug-related activity

*North American Syringe Exchange Network

Harm Reduction

Our mission is to protect and promote the health of the residents of Winnebago County. We recognize that drug abuse is a complex issue without simple, short-term answers. Therefore we support harm reduction and prevention programs that have been proven effective in reducing risk and saving lives.

Hours & Location

- M-F from 8am-4pm
- The Winnebago County Health Department:

2ND FLOOR
112 Otter Ave
Oshkosh, WI 54903
920-232-3000
