

Chapter 13

Livestock Waste Management Ordinance

Permit Fee Schedule

Animal Lot Construction and/or Alteration / Erosion Control Permit: \$300.00

Animal Lot Construction and/or Alteration / Erosion Control Permit
when LWCD provides project design and/or construction oversight: \$500.00

Manure Storage Facility Construction and/or Alteration / Erosion Control Permit:

Up to 2,000,000 gallon capacity: \$500.00

2,000,001 to 4,000,000 gallon capacity: \$750.00

Over 4,000,000 gallon capacity: \$1,000.00

Manure Storage Facility Abandonment / Erosion Control Permit: \$500.00

Permit Renewal Fee: \$100.00

Note: Required fees will be added together to determine the permit cost when multiple structures are being constructed, altered or abandoned.

Example: New animal lot with no LWCD design or construction involvement with a 1,500,000 gallon manure storage facility would be $\$300 + \$500 = \$800$.

Note: Per 13.11(2) The initial fee for a permit issued “after the fact” shall be doubled.

Note: Permits are valid for two years from the date of issuance.

Effective date: 1/1/2012
