

The Winnebago County Diversity Affairs Commission (DAC) invites you to join us!

The DAC Speaker Series is an opportunity for you to meet diverse community members who are living and working in our community and to increase your understanding of how we as individuals and a community can do better in building inclusive environments. The DAC invites various speakers to share their perspectives and experiences. We respect that everyone has their own opinions. Our goal is supportive learning opportunities. Speakers tell their stories, share historical perspectives and provide the audience with ideas for doing their own learning and work.
