### Free COVID-19 Vaccination Clinic on Tuesdays at the Oshkosh Public Library

New Regional Vaccine Tour location opens September 7

**OSHKOSH, Wis. (September 3, 2021)** – The Oshkosh Public Library is the newest vaccine location added to the Regional Vaccine Tour. A free COVID-19 vaccine clinic will be offered at the Oshkosh Public Library every Tuesday from 9:30 a.m. to 12:30 p.m. The library is located at 106 Washington Avenue in Oshkosh.

The Regional Vaccine Tour started in June through a partnership with the Wisconsin National Guard and the public health departments from Calumet, Outagamie and Winnebago counties. The tour runs every Tuesday, Wednesday and Thursday, providing two vaccine clinic locations per day. On Tuesday, September 7, the Oshkosh Public Library joins the lineup, and the Nekimi Town Hall vaccine clinic location will no longer be open. The Tuesday afternoon vaccine clinic, open from 2:30 to 5:30 p.m., will continue to be located at the Fox Crossing Fire Department, located at 1326 Cold Spring Road in Fox Crossing.
