Winnebago County Seeking Vaccination Survey Input

Quick Survey Looks to Determine the Best Way to Serve Our Community Moving Forward

OSHKOSH, Wis., April 21, 2021 – Winnebago County Health Department, in an effort to best serve the needs of our community, is asking for input from residents who have not yet received a COVID-19 vaccination.

Please click and share the following link to complete a quick, four-question survey to provide feedback on best time and place to offer vaccinations as we strive to continually increase accessibility for our community.

"We want to ensure every person who wants to receive a vaccine has access to one. We also want to remove as many barriers and make the process as easy as possible for all of our residents," stated Doug Gieryn, Winnebago County Health Department Director/Health Officer. "We hope this survey helps us gauge where we can best serve our community. Your feedback is essential in helping our team move forward."
