### **Walk-In Vaccination Clinic at Sunnyview Expo Tomorrow** **Free Vaccination Clinic at Sunnyview Expo Center Open to All Individuals 18 Years and Older**

**OSHKOSH, Wis., April 14, 2021** – There will be a walk-in vaccination clinic offered at Sunnyview Expo Center (500 E County Road Y, Oshkosh, WI) tomorrow from 10am-2pm.

**Appointments are NOT required.** Vaccination is open to all individuals aged 18 and older. The clinic will be administering the Moderna vaccine, which is a 2-dose series vaccination. Participants will need to return for a second dose on May 13th. You will be considered fully vaccinated 14 days following the second dose of your vaccination.

"We are continually reevaluating the best way to serve our community. We hope offering an unscheduled, walk-in clinic will allow more people an opportunity to be vaccinated," stated Doug Gieryn, Winnebago County Health Department Director/Health Officer. "As always, we encourage our community members to get vaccinated, continue wearing masks, and social distance to stop the spread of COVID-19 and return to a more normal way of life."

For more information on COVID-19 vaccination, please visit [www.wcvaccine.org](http://www.wcvaccine.org).

There are still appointments available throughout the day if you prefer to register for a scheduled time. Visit <https://www.signupgenius.com/go/10c0c4ca8ad2baafdc52-april6> to register.

If you require assistance in scheduling your appointment, please call the Winnebago County Health Department's COVID-19 Hotline at 920-232-3026, Monday-Friday, 9 a.m. to 4 p.m.

If you have received a vaccine within the last 14 days or have a history of an observed anaphylactic reaction to an injectable medication (if you needed epinephrine or an epi pen after an IV or injection), do not attend this clinic. We encourage you to work with your healthcare provider.

Free transportation assistance is available to individuals in Winnebago, Outagamie, and Calumet counties who need transportation or help navigating transportation options to their COVID-19 vaccination appointments.
