WALK-IN WEDNESDAY COVID-19 VACCINE CLINIC AND TESTING AT SUNNYVIEW EXPO CENTER CLOSED THIS WEEK DUE TO WINNEBAGO COUNTY FAIR

OSHKOSH, WIS. (August 2, 2021) – The Winnebago County Health Department's Walk-in Wednesday COVID-19 Vaccine Clinic, regularly held on Wednesdays at Sunnyview Expo Center in Oshkosh, will be closed on August 4. The COVID-19 testing site at Sunnyview Expo Center will also be closed this week due to the Winnebago County Fair.

"COVID cases are climbing, and we're keeping a close eye on the situation," said Doug Gieryn, director/health officer for the Winnebago County Health Department. "We are fortunate to have many testing and vaccination locations in our local region, and we continue to encourage everyone eligible to get vaccinated, and get tested if you have symptoms of COVID-19 or were exposed to the virus."

A complete list of vaccination clinic locations in the area can be found at www.wcvaccine.org or by calling the Winnebago County Health Department's COVID-19 hotline at 920-232-3026.

Additional walk-in clinic options available this week:

- Nekimi Town Hall (3790 Pickett Rd., Oshkosh), August 3, 9:30 a.m. to 12:30 p.m.
- St. Paul's Neenah (200 N. Commercial St., Neenah), August 3, 11 a.m. to 3 p.m.

- Hometown Pharmacy, Omro Pharmacy, Pick n' Save, Walgreens and Walmart all offer walk-in or appointment options. Visit www.wcvaccine.org for details.

If you are feeling sick or have been in contact with someone with COVID-19, there are several ways to get tested for the virus. Contact your doctor to ask if your primary health care clinic provides testing. If testing is not available, visit www.winnebagohealth.org to find a free community testing site. Free at-home collection kits are also available at www.dhs.wisconsin.gov/covid-19/collection.

Testing will resume at Sunnyview Expo Center on Tuesday, August 10, and Walk-in Wednesday Vaccine Clinics will resume on Wednesday, August 11. For questions, please call the Winnebago County Health Department's COVID-19 hotline at 920-232-3026 or visit www.winnebagohealth.org.
